Slade** Heneage ELSLEY,1833 Annotations on the Four Gospels and the Acts of the Apostles Heneage Elsley,1812 *Annotations on the Four Gospels and the Acts of the Apostles* ,1824 *Translation* Daniel Weissbort,Ástráður Eysteinnsson,2006 *Translation Theory and Practice A Historical Reader* responds to the need for a collection of primary texts on translation in the English tradition from the earliest times to the present day Based on an exhaustive survey of the wealth of available materials the Reader demonstrates throughout the link between theory and practice with excerpts not only of significant theoretical writings but of actual translations as well as excerpts on translation from letters interviews autobiographies and fiction The collection is intended as a teaching tool but also as an encyclopaedia for the use of translators and writers on translation It presents the full panoply of approaches to translation without necessarily judging between them but showing clearly what is to be gained or lost in each case Translations of key texts such as the Bible and the Homeric epic are traced through the ages with the same passages excerpted making it possible for readers to construct their own map of the evolution of translation and to evaluate in their historical contexts the variety of approaches The passages in question are also accompanied by ad verbum versions to facilitate comparison The bibliographies are likewise comprehensive The editors have drawn on the expertise of leading scholars in the field including the late James S Holmes Louis Kelly Jonathan Wilcox Jane Stevenson David Hopkins and many others In addition significant non English texts such as Martin Luther s Circular Letter on Translation which may be said to have inaugurated the Reformation are included helping to set the English tradition in a wider context Related items such as the introductions to their work by Tudor and Jacobean translators or the work of women translators from the sixteenth to eighteenth centuries have been brought together in collages marking particularly important moments or developments in the history of translation This comprehensive reader provides an invaluable and illuminating resource for scholars and students of translation and English literature as well as poets cultural historians and professional translators **Cornell Studies in English** ,1929

Sailing Around Britain Kim Sturgess,2017-10-03 Kim Sturgess was a weekend sailor he enjoyed club racing and several brief sailing holidays but had never attempted a substantial expedition Reaching the age of fifty focused the mind and he decided to sail around Britain While many cruising sailors would not contemplate a 1900 nautical mile voyage he broke the voyage into a series of day sails making it an achievable ambition for him largely single handed and for many other weekend sailors who might dream of sailing around their home island This book tells the quirky traveller s narrative of the voyage and visits to forty eight towns Evoking the spirit of both Jerome K Jerome with his *Three Men in a Boat* and Joshua Slocum s

Sailing Alone Around the World Kim shares his thoughts and struggles recounting how easy it is for anyone to become an adventurer here at home But don't expect to always agree with him he has been described as the Jeremy Clarkson of yachting **The Academy**, 1895 *Runaway Countess* Gemma Blackwood, 2024-08-16 There are some young women who do as they're told and there are other young women who run away with devilishly handsome Naval officers Miss Jennifer Cartwright is as surprised as anyone to discover that she is the second type of woman But since her only other option is marrying the terrifying Lord Beeston she'll fling herself on the mercy of anyone who can smuggle her off to the safety of her sister's country cottage It's just her luck that the man she flings herself upon is Captain Sebastian Whitby who quite apart from his rough manners and pistol-toting reputation happens to owe Beeston his life Sebastian takes paying his debts very seriously He'll do anything to persuade her to give Beeston a chance Anything except stop kissing her that is because that keeps happening with alarming regularity And though Jennifer is certain she's never met a ruder more reckless more impossible man in her life she doesn't want to stop kissing Sebastian either **Time & Tide** Jessica Blair, 2011-11-10 The death of her mother in 1813 brings added responsibility to seventeen-year-old Anna Mason A self-confident girl she has to shed her girlhood sooner than she would have expected as she assumes many of her mother's tasks in running the household of Hawkshead Manor Julian Kirby a family friend is entranced by Anna but she doesn't feel she is able to return his affections while her father remains so devastated by his wife's death However whilst Anna's father John Mason is an outwardly respectable merchant operating out of Whitby he is also the brains behind a leading smuggling operation in the district And with his focus elsewhere his business legitimate and otherwise is at risk a fact which may have serious repercussions on the Mason family and Anna's future when she stumbles on the truth *Select Works of the British Poets* John Aikin, 1852

Select Works of the British Poets, with ... prefaces by Dr. Aikin John AIKIN (M.D.), 1845 *Mixed Feelings* Douglas Cairns, Pia Campeggiani, 2025-06-02 Affective valence typically refers to the way an affective state feels i.e. the quality of the displeasure we subjectively experience fear usually feels unpleasant while joy feels good Yet sometimes affective experience feels bittersweet i.e. good and bad at the same time as when we enjoy being scared on the roller coaster or being sad when reading a heart-rending novel In these situations mixed affect is experienced as a blended state in which positive and negative aspects cannot be prised apart in any meaningful way But mixed affect can also arise from conflicting emotions e.g. when we desire something that we also wish to avoid from ambivalence e.g. when we are of two minds about something and more Taking a cross-cultural and multidisciplinary perspective this volume aims to enrich our understanding of the phenomenology of mixed affective experiences It explores narrative representations of mixed emotions in historical and literary works in both Western and Eastern traditions as well as the theorization of such experiences in these traditions It will be of interest to students and scholars of literature especially classical Chinese Greek Indian and Latin history of emotions and philosophy **The Chronicle of the London Missionary Society**, 1913 **Additional Essays on the Language of**

Scripture John Simpson, 1810 *Nonnus of Panopolis in Context* Konstantinos Spanoudakis, 2014-07-16 Nonnus of Panopolis fifth century CE composed two poems once thought to be incompatible the Dionysiaca a mythological long epic with a marked interest in astrology the occult the paradox and not least the beauty of the female body and a pious and sublime Paraphrase of the Gospel of St John Little is known about the man to whom sundry identities have been attached The longer work has been misrepresented as a degenerate poem or as a mythological handbook The Christian poem has been neglected or undervalued Yet Nonnus accomplished an ambitious plan in two parts aiming at representing world history This volume consists mainly of the Proceedings of the First International Conference on Nonnus held in Rethymno Crete in May 2011 With twentyfour essays an international team of specialists place Nonnus firmly in his time s context After an authoritative Introduction by Pierre Chuvin chapters on Nonnus and the literary past the visual arts Late Antique paideia Christianity and his immediate and long range afterlife to modern times offer a wide ranging and innovative insight into the man and his world The volume moves on beyond stereotypes to inaugurate a new era of research for Nonnus and Late Antique poetics on the whole **Patterns for Guernseys, Jerseys & Arans** Gladys Thompson, 2013-07-24 Fully illustrated guide features 82 patterns for traditional fishermen s sweaters Collected from sources throughout the British Isles these sweaters and cardigans for men and women range from lightweight jerseys to heavier guernseys **Walking With The Saints** Cecilia Baker, 2018-09-11 8 walks following the Pilgrims Routes of Britain Giving history and extra information about some of our best known ancient routeways A wonderful companion to these historical and spiritual walkways Take a person a time and a place say Canterbury in 597 St Augustine has just arrived and sets off walking What is he thinking How does he find his way across the country What would he find when he arrived at the various places along the route Using historical stories and vignettes Cecilia Baker has gathered together to follow his and other footsteps we can know him and his world a little better We can follow his route today but thankfully not have to worry about wild boars nor highway robbery hopefully nor indeed of falling foul of the monarch or his henchmen as was very much a possibility in the past England is criss crossed by a myriad of ancient routes that are being way marked and walked for the first time in often hundreds of years named after people who have gently faded into history Through this book you can explore the rich heritage of England while enjoying these ancient paths You will learn about these routes both from a geographical and historical but also from a spiritual point of view Walking has never been more popular both to make us healthier and to enjoy the quality of life that we now crave We are able to enjoy this pastime today in a way that was never possible in more ancient times So put on comfortable shoes and take a raincoat this is Britain after all and start walking in the footsteps of our ancient ancestors
