York Times bestselling author Pam Anderson updates her classic cookbook which put cooking by heart on the map to include modern flavors and new techniques that today's home cooks will love with new and original full color photographs. It's been 17 years since the blockbuster *How to Cook Without a Book* was published and Pam Anderson's method of mastering easy techniques to create simple delicious meals is even more relevant today. From the working professional who loves cooking to the busy family member trying to get dinner on the table today's modern home cook wants to master useful techniques and know how to stock pantries and refrigerators to pull together delicious meals on the fly. Understanding that most recipes are simply variations on a theme, Pam innovatively teaches technique ultimately eliminating the need for recipes. The new edition will reflect ingredients and techniques home cooks love to use today: chicken dishes are revamped by using thighs instead of boneless skinless breasts; hearty dark greens like kale and Swiss chard replace hearts of Romaine in salads; roasted Brussels sprouts and sweet potatoes move from side dish to the main event in more meatless entrees; plus tips for creating a whole meal using one pot or one sheet pan instead of dirtying multiple dishes. Each chapter contains helpful at-a-glance charts that highlight the key points of every technique and a master recipe with enough variations to keep you going until you've learned how to cook without a book.

Cook Once, Eat All Week Cassy Joy Garcia, 2019-04-23 *Cook Once Eat All Week* is a revolutionary way to get a delicious healthy and affordable dinner on the table FAST. Author Cassy Joy Garcia will walk you through this tried and true method and show you how batch cooking a few basic components can give you an entire week's worth of dinners with minimal time and effort. Have you ever tried a meal prep plan before and gotten so excited about having your cooking for the week done ahead of time only to find yourself totally exhausted after a full day in the kitchen, shocked by your grocery bill and tired of the same leftovers by Tuesday? Cassy Joy Garcia had been there too. As a mom, business owner, and Nutrition Consultant, she needed to get a healthy, affordable, and tasty dinner on the table fast every night, and she knew there had to be a better way to do it. She finally cracked the code when she discovered that by batch cooking a protein, starch, and vegetable each week, she could easily assemble three fresh, diverse meals in minimal time. After years of her readers asking her for better meal prep strategies and easy recipes, she released 4 weeks of recipes on her blog *Fed and Fit*. Since then, tens of thousands of people have made and raved about the series and begged for more. In this book, you'll find 26 weeks of affordable, healthy, delicious meals that your family will love eating, and a chapter full of bonus 20-minute meals. Optional Instant Pot and slow cooker instructions are included to get you even more time back in your week. With a Real Food foundation, the weeks in this book aim to support dietary approaches that cover gluten-free, dairy-free, Paleo, low-carb, egg-free, kid-friendly, and more. Three simple ingredients like shredded pork, potatoes, and cabbage are turned into these three easy-to-assemble meals: Honey Mustard Pork Sheet Pan Dinner, Enchiladas Verde Casserole, and Sloppy Joe Stuffed Potatoes. This book is a must-have for anyone looking for a REAL solution to help them eat healthfully while also saving time and money and loving what they are eating.
