When Americans think about race white is often the furthest thing from their minds Yet whiteness colors so much of social life in the United States from the organization and maintenance of social structures to an individual's sense of self White has long been the invisible default category against which other racial and ethnic groups are silently compared and marked out as different At the same time whiteness is itself an active marker that many bitterly fight to keep distinctive and the shifting boundaries of whiteness reflect the nation's history of race relations right back to the earliest period of European colonization One thing that has remained consistent is that whiteness is a definitive mark of privilege Yet this privilege is differentially experienced across a broad and eclectic spectrum as is white identity itself In order to uncover the ways in which its rigid structures and complicated understandings permeate American life this book examines some of the many varieties of what it means to be white across geography class and social context and the culture social movements and changing demographics of whiteness in America Struggle & Strife Demitria Lunetta, Kate Karyus Quinn, Marley Lynn, Enjoy this young adult academy urban fantasy adventure From the authors of the DOWN DIRTY SUPERNATURAL CLEANING SERVICES and POWERS OF THE ZODIAC paranormal series Apparently when you cause the apocalypse it's your job to fix it I'm Edie and it turns out that killing a god kind of wreaks havoc on the world Like our world So yeah that's my bad But I'm trying to set it straight Someone needs to step up and stop the apocalypse and I'm betting on Brandee Jean Beauty Queen A contest on the island of the Amazons will decide who inherits the powers of a god Can Brandee Jean take home the crown or will the world be as disastrous as her fashion sense Struggle & Strife is book 4 in the Mythverse series This young adult magic academy fantasy novel features non-stop action hot shifter boys Val the mysterious vampire girls who are best friends forever and lots of plot twists to keep the pages turning Be sure to check out all the books in this finished series If paranormal and urban fantasy stories are your thing we've got you covered with this complete series Percy Jackson meets Vampire Academy in this fun new series Join Edie as she passes the torch to Brandee Jean Keywords vampire academy shifter supernatural paranormal romance paranormal romance series paranormal mystery paranormal series paranormal thriller fantasy series fae fae books vampire werewolf paranormal shifter romance shifter romance series vampire romance paranormal books vampire series vampire books ya paranormal romance wolf shifter ya paranormal romance books
