But everything changes when a baby is found dead and the evidence points to Gracy as the murderer. She didn't commit the crime but clearing her name isn't so easy when her innocence is not quite as simple either. She knows things and that's dangerous. Invited into her neighbors' homes during their most intimate and vulnerable times she can't help what she sees and hears. A woman sometimes says things in the birthing bed when life and death seem suspended within the same moment. Gracy has always tucked those revelations away even the confessions that have cast shadows on her heart.
