Wireless Noise Canceling Stereo Headset

Model: YC296

The "WM-NCZ05" is a wireless stereo headset with noise canceling technology. It features a large ear cup and a flexible boom microphone. The headset is designed for use with Sony's Bluetooth technology, providing a clear and comfortable listening experience. The noise canceling technology helps to reduce background noise, allowing you to enjoy your music or calls more clearly. The headset is also compatible with various mobile devices, making it a versatile choice for on-the-go use.

Precautions

Do not use the headset for extended periods of time, as this may cause discomfort or fatigue. Avoid using the headset in environments with high levels of noise, as this may affect the effectiveness of the noise canceling technology. Keep the headset away from water and other liquids to prevent damage. Store the headset in its carrying case when not in use to protect it from dust and scratches. Follow the instructions provided in the user manual for proper use and maintenance.

Other notes

The headset is designed to be used with Sony's Bluetooth technology. It is not compatible with other Bluetooth versions or protocols. The headset is also not compatible with certain mobile devices, so please check the compatibility list provided in the user manual. The headset is also not recommended for use by children or individuals with hearing impairments. Please use the headset responsibly and follow all safety guidelines.
