- The system is, however, **NOT** (arguably) **stable** in the sense mentioned earlier and hence **not** **stable**. If **stable** does not exist, **stable** is **NOT** and **not** **stable**.

■ These 2 are not related to the other things (compare with group membership).

Background: The purpose of this study was to determine the prevalence of self-reported hearing impairment among the general population of the United States.

- **How to calculate:**
 - When the cost exceeds the combined value of equity securities: 40% (gross value)
 - When the cost is less than the combined value of equity securities: 30% (gross value)
 - **Special rule:** If the combined value of equity securities is less than the combined value of the debt securities, the combined value of the equity securities is treated as 0.
