Kill Green Chronicles April Brewster Smythe, 2013-10-28 The Kill Green Chronicles are a series of green scary stories set in the Midwestern town of Fort Playne Indiana that feature characters like Joe Betty Joe Betty is obsessed with a particular hobby that he enjoys during ordinary time Killing in Ordinary Time is the first story in the series that follows the regular and sometimes harrowing escapades of Joe Betty In order to get to know Joe Betty and the bizarre cast of characters that inhabit the Kill Green Chronicles it is essential to learn about the man who started it all Joe Betty Here is a little bit of background on the man and his worldview Joe Betty's daily routine was really just a microcosm of his larger world view He lived an ordinary life because he believed that his hobby was ordinary In his mind he likened it to gourmet cooking or even cross stitching Those people who perfected these crafts spent inordinate amounts of time finding the right recipes or patterns Often they attended lectures on this type of subject matter or took classes where others were involved Of course Joe Betty's hobby was not the type of activity where it would be a good idea to have others involved So he made a life that appeared ordinary from the outside It was the life he showed to the outer world Sometimes he even indulged in ordinary

pleasures just like other people Killing in Holiday Time April Brewster Smythe *Werewolf Haiku* Ryan Mecum,2010-08-10
Dear haiku journal I think I killed some people That was no dog bite This journal contains the poetic musings of a mailman who after being bitten by what he thinks is a dog discovers that he is actually now a werewolf Wreaking havoc wherever he goes he details his new life and transformations in the 5 7 5 syllable structure of haiku his poetry of choice Follow along as our werewolf poet slowly turns from a mostly normal man into the hairy beast that he cannot keep trapped inside And watch out for carnage when he changes and becomes hungry No toenail no entrail no pigtail will be left behind And talk about wreaking havoc His newfound claws and teeth have sent his clothing budget through the roof He is in love with a woman on his route but he has never had the courage to tell her As he fights against his urges during each full moon he discovers that succumbing to his primal instincts will not only bag him a good meal it just might help him in his quest for love Or maybe not
