(Complete) Various Authors,2020-09-28 In this brief Life of Knox I have tried as much as I may to get behind Tradition which has so deeply affected even modern histories of the Scottish Reformation and even recent Biographies of the Reformer The tradition is based to a great extent on Knox s own History which I am therefore obliged to criticise as carefully as I can In his valuable John Knox a Biography Professor Hume Brown says that in the History we have convincing proof alike of the writer s good faith and of his perception of the conditions of historic truth My reasons for dissenting from this favourable view will be found in the following pages If I am right if Knox both as a politician and an historian resembled Charles I in sailing as near the wind as he could the circumstance as another of his biographers remarks only makes him more human and interesting Opinion about Knox and the religious Revolution in which he took so great a part has passed through several variations in the last century In the Edinburgh Review of 1816 No liii pp 163 180 is an article with which the present biographer can agree Several passages from Knox s works are cited and the reader is expected to be shocked at their principles They are certainly shocking but they are not as a rule set before the public by biographers of the Reformer Mr Carlyle introduced a style of thinking about Knox which may be called platonically Puritan Sweet enthusiasts glide swiftly over all in the Reformer that is specially distasteful to us I find myself more in harmony with the outspoken Hallam Dr Joseph Robertson David Hume and the Edinburgh reviewer of 1816 than with several more recent students of Knox The Reformer s violent counsels and intemperate speech were remarkable writes Dr Robertson even in his own ruthless age and he gives fourteen examples Lord Hailes has shown he adds how little Knox s statements in his History are to be relied on even in matters which were within the Reformer s own knowledge In Scotland there has always been the party of Cavalier and White Rose sentimentalism To this party Queen Mary is a saintly being and their admiration of Claverhouse goes far beyond that entertained by Sir Walter Scott On the other side there is the party equally sentimental which musters under the banner of the Covenant and sees scarcely a blemish in Knox A pretty sample of the sentiment of this party appears in a biography 1905 of the Reformer by a minister of the Gospel Knox summoned the organised brethren in 1563 to overawe justice when some men were to be tried on a charge of invading in arms the chapel of Holyrood No proceeding could be more anarchic than Knox s or more in accordance with the lovable customs of my dear country at that time But the biographer of 1905 a placed minister writes that the doing of it Knox s summons was only an assertion of the liberty of the Church and of the members of

the Commonwealth as a whole to assemble for purposes which were clearly lawful the purposes being to overawe justice in the course of a trial *Bricks Without Straw* Al Bruno Ph.D.,2021-02-24 What has happened to our youth How did it all go south so fast Hardly any of them give up a seat to an elderly person or a pregnant woman and profanity against bus drivers teachers police officers and everyone else has become a rite of passage Drug use and violence no longer strike fear in their hearts Even worse they re entitled believing everything should be theirs even if they have not worked hard for it Meanwhile parents have given up on parenting preferring to turn over their children to the government or society to be reared Al Bruno Ph D a longtime educator and former chaplain highlights the epidemics that have ravaged our youth in *Bricks without Straw* He offers guidance on how to take back our children guide them and teach them about the Lord prepare children for the difficult life they will face as adults teach children right from wrong instill a love of learning in children With youth crime surging a waning work ethic and children hurling insults at each other at every opportunity the stakes could not be higher Whether you re an educator parent grandparent or community leader you ll grasp the problem and find solutions in this book
