They learned the hard way that success elsewhere doesn't always lead to riches in China. Alan Refkin and Scott Cray with Thornhill Capital have spent years doing business in China and they have a long-term track record of helping companies navigate the complicated business terrain. In this their new guide, they share their intimate knowledge of how business is conducted in China. They explore the intricacies of how the Chinese negotiate, discuss ways to better protect yourself from the increased threat of cyberespionage and the theft of your intellectual property, show you how to litigate if necessary, take you through what's needed to successfully interact with government officials and demonstrate how you can be successful and reap the financial rewards from conducting business in China. Being successful in China is not an accident. What separates the thriving businessperson from those who abandon the country and their dreams for success is preparation. Bowing to Beijing Brett M. Decker, William C. Triplett, 2011-11-14 While the Obama administration is mired in big government solutions to threats such as global warming, unregulated businesses, and free market healthcare, Obama officials have ignored and compounded the single biggest danger facing the United States: the rising power of communist China. In *Bowing to Beijing*, Brett M. Decker and Bill Triplett cut through the fog of soothing pro-China propaganda to reveal the disturbing truth far from the gradually reforming partner portrayed by its many American apologists. China is an aggressive and rapidly militarizing criminal state feverishly striving to displace America as the world's preeminent power. Shockingly, despite Chinese leaders showing their hostile intentions in every realm, the Obama administration refuses to take action or even acknowledge the threat, and as new evidence indicates, has gone so far as to actively cover up China's misdeeds.

North Korea in Quotation, 2005-06-30 Since the end of World War II, the small country of North Korea has occupied a disproportionate amount of the world's diplomatic and military attention. Joseph,2019-08-22 *China Briefing 1991* is the tenth in a series of annual assessments copublished by The Asia Society and Westview Press focusing on the aftereffects of Tiananmen on China s domestic politics economics society and foreign relations *Congressional-Executive Commission on China Annual Report 2015* , *Chinese Engagement in Africa* Larry Hanauer,Lyle J.
