Wyche, 2012-11-21 Dialo and Pancho Mercias are brothers from Portsmouth Virginia Their father taught them the family business drug dealing but they've taken it further than he ever imagined The operation started small just in their hometown

but soon it grew to include all the seven cities of the Tidewater area of Virginia. It became almost too much for them to handle. The boys do things they don't always like. For instance they kill people in cold blood all in the name of money. Dialo starts getting involved with some legit businesses in the hopes of someday leaving the drug trade behind. Meanwhile his little brother looks forward to getting Dialo out of the way and maybe one day becoming a kingpin. Just as Dialo is ready to step aside Pancho gets in big trouble with a rival drug dealer and things turn nasty. Blood covers the streets and a full blown war is underway. Dialo may have to give up on his dreams of being an honest businessman to save his brother. Old habits die hard as they enter the brawl and someone may end up dead.

The Co-ed Call Girl Murder Fannie Weinstein, Melinda Wilson, 1997-07-15. Bright and magnetic Tina Biggar was an all American girl from a picture perfect family. She studied hard and played hard and when a subject interested her she couldn't let it go. At college Tina worked on a research project interviewing prostitutes about AIDS awareness. Later she explored on her own the seedy world of the high class call girl and walked into a nightmare she's never return from. Living off campus with her boyfriend Todd Tina's interest has taken a dangerous turn. One of her family and friends suspected that the twenty three year old blonde was secretly working as a call girl for three shadowy escort services providing sexual favors to strangers for one hundred dollars an hour. Then one day Tina was gone. Four weeks later police found her decomposed body behind a vacant house hidden there by a forty one year old treacherous ex con and regular client who would be charged with her violent death. Only with her tragic murder did the twisted story of Tina's shocking double life emerge before the horrified eyes of those who knew and loved her.

Lemon-Aid Used Cars and Trucks 2012-2013 Phil Edmonston, 2012-05-19. Lemon Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market. U.S. automakers are suddenly awash in profits and South Koreans and Europeans have gained market shares while Honda, Nissan and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012 so what should a savvy buyer do? The all new Lemon Aid Used Cars and Trucks 2012-2013 has the answers including more vehicles rated with some redesigned models that don't perform as well as previous iterations, downrated more roof crash worthiness ratings along with an expanded cross border shopping guide, a revised summary of safety and performance related defects that are likely to affect rated models, more helpful websites listed in the appendix as well as an updated list of the best and worst beaters on the market. More secret warranties taken from automaker internal service bulletins and memos than ever.
