Translating For Singing Ronnie Apter, Mark Herman, 2016-05-19 Translating for Singing discusses the art and craft of translating singable lyrics a topic of interest in a wide range of fields including translation music creative writing cultural studies performance studies and semiotics Previously such translation has most often been discussed by music critics many of whom had neither training nor experience in this area Written by two internationally known translators the book focusses mainly on practical techniques for creating translations meant to be sung to pre existing music with suggested solutions to such linguistic problems as those associated with rhythm syllable count vocal burden rhyme repetition and sound Translation theory and translations of lyrics for other purposes such as surtitles are also covered The book can serve as a primary text in courses on translating lyrics and as a reference and supplementary text for other courses and for professionals in the fields mentioned Beyond academia the book is of interest to professional translators and to librettists singers conductors stage directors and audience members

Spoken Discourse Rodney Jones, 2016-07-28 This book provides an overview of current theories of and methods for analysing spoken discourse It includes discussions of both the more traditional approaches of pragmatics conversation analysis interactional sociolinguistics linguistic anthropology and critical discourse analysis and more recently developed approaches such as multimodal discourse analysis and critical sociolinguistics Rather than treating these perspectives as mutually exclusive the book introduces a framework based on principles from mediated discourse analysis in which different approaches to spoken discourse are seen as complementing and informing one another In this framework spoken discourse is seen as mediated through a complex collection of technological semiotic and cultural tools which enable and constrain people's ability to engage in different kinds of social actions enact different kinds of social identities and form different kinds of social relationships A major focus of the volume is on the way technological tools like telephones broadcast media digital technologies are changing the way people communicate with spoken language The book is suitable for use as a textbook in advanced courses in discourse analysis and language in social interaction and will also be of interest to scholars in a variety of fields including linguistics sociology media studies and anthropology

Inequality in the 21st Century David Grusky, Jasmine Hill, 2018-05-15 This book provides selections from the seminal works of Karl Marx Max Weber W E B Du Bois and Charlotte Perkins Gilman that reveal some of the reasons why class race and gender inequalities have proven very adaptive and can flourish even today in the 21st century

The Smith Tapes Ezra Bookstein, 2015-11-03 The 1960s were a period of radical cultural social and political upheaval in the United States and around the globe yet in just three years between 1969 and 1972 Village Voice Scenes columnist WPLJ FM radio host and cult figure Howard Smith got to the heart of it all by talking it out both on and off the record As famous as those who passed through the airwaves Smith encapsulated the end of an era through personal conversations and hard hitting interviews with Mick Jagger Frank Zappa Andy Warhol Buckminster Fuller leaders of the feminist movement and the Gay Liberation Front a

NARC agent John Lennon and Yoko Ono and scores of other iconic and influential personalities including musicians artists filmmakers actors writers politicians and social activists from countercultural luminaries to everyday revolutionaries and everyone in between The Smith Tapes transcribes for the first time ever sixty one of those recorded sessions from an archive of more than one hundred fifty reels unearthed after more than forty years Edited by documentary film writer and director producer Ezra Bookstein this book reveals the time capsule that Smith ingeniously captured and contains raw and unscripted talks that take you right into the midst of a transformative cultural and musical explosion **A Standard Dictionary of the English Language** Isaac Kaufman Funk,1906 *Fowler's Dictionary of Modern English Usage* Jeremy

Autobiography of a Blue-eyed Devil Inga Muscio,2014-03-18 In an updated second edition of her follow up to the cult classic Cunt Inga Muscio asserts that the history taught in schools and perpetuated in all areas of life in the US is in fact a marketing brand developed by powerful people to maintain gross inequities With Autobiography of a Blue Eyed Devil it s Muscio s turn to take Americans on a tour through our history from Columbus to today Whose country is this Has democracy

ever really existed With her trademark ability to deconstruct reality and expose truths that allow us to see our culture and ourselves more clearly Muscio delves deep to answer these fundamental questions Including chapters such as God Told Me To Kill You on religious intolerance from the 1600s to the 1800s and Postage Stamp Redemptions in which she challenges the myth that White supremacy and imperialism in the US ended with the civil rights movement Muscio offers new perspectives on our history that might shock even the most ardent alternative history buff

Unraveling Bias Christia Spears Brown, 2021-11-30 NATIONAL INDIE EXCELLENCE AWARD WINNER PARENTING FAMILY 2022 IPPY AWARDS GOLD MEDALIST PARENTING Timely informative thought provoking inspirationally motivating Midwest Book Review Brown offers pragmatic advice for teachers on how to stand up for diversity and inclusiveness in the classroom San Francisco Book Review We need only scan the latest news headlines to see how bias and prejudice harm adults and children alike every single day Police shootings that give rise to the Black Lives Matter revolution rampant sexual harassment of women and the subsequent MeToo movement extreme violence toward trans men and women It would be easy to fix these problems if the examples stopped with a few racist or sexist individuals but there are also biases embedded in our government policies media and institutions As a developmental psychologist and international expert on stereotypes and discrimination in children Dr Christia Spears Brown knows that biases and prejudice don't just develop as people become adults or CEOs or politicians They begin when children are young slowly growing and exposed to prejudice in their classrooms after school activities and yes even in their homes no matter how enlightened their parents may consider themselves to be The only way to have a more just and equitable world not to mention more broad minded empathetic children is for parents to closely examine biases beginning in childhood and how they infiltrate our kids lives In her new book Unraveling Bias How Prejudice Has Shaped Children for Generations and Why It's Time to Break the Cycle Dr Brown will uncover what scientists have learned about how children are impacted by biases and how we adults can help protect them from those biases Part science part history part current events and part call to arms Unraveling Bias provides readers with the answers to vital questions How do biased policies schools and media harm our children Where does childhood prejudice come from and how do these prejudices shape children's behavior goals relationships and beliefs about themselves What can we learn from modern day science to help us protect our children from these biases Few issues today are as critical as being aware of bias and prejudice all around us and making sure our kids don't succumb to them To change lives and advance society it's time to unravel our biases starting with the future leaders of the world
