

The logo for RT3, featuring the letters 'RT3' in a stylized, bold font. The 'R' and 'T' are yellow with a red outline, and the '3' is red with a yellow outline. They are set against a dark red, circular background with a textured, slightly grainy appearance.

PROGRAM 10-1

The background of the title card is a digital illustration of a forest at dusk or dawn. Tall, dark green evergreen trees are scattered throughout the scene. The sky is a deep purple, with several horizontal, orange-tinted clouds. In the foreground, a large, brown, furry creature, possibly a Sasquatch or Bigfoot, is walking away from the viewer towards the left. To its right, a small, red, pointed hat with a white pom-pom is visible. Further right, a green, textured, round object, possibly a troll doll or a similar mythical creature, is partially visible. The ground is a mix of light and dark patches, suggesting a forest floor with rocks and foliage.

Statistical and Methodological Myths and Urban Legends Charles E. Lance, Charles E. Lance, Robert J Vandenberg, 2010-10-18 This book provides an up to date review of commonly undertaken methodological and statistical practices that are sustained in part upon sound rationale and justification and in part upon unfounded lore Some examples of these methodological urban legends as we refer to them in this book are characterized by manuscript critiques such as a your self report measures suffer from common method bias b your item to subject ratios are too low c you can't generalize these findings to the real world or d your effect sizes are too low Historically there is a kernel of truth to most of these legends but in many cases that truth has been long forgotten ignored or embellished beyond recognition This book examines several such legends Each chapter is organized to address a what the legend is that we almost all know to be true b what the kernel of truth is to each legend c what the myths are that have developed around this kernel of truth and d what the state of the practice should be This book meets an important need for the accumulation and integration of these methodological and statistical practices

Death by Drama and Other Medieval Urban Legends Jody Enders, 2005-05-15 Part of every legend is true Or so argues Jody Enders in this fascinating look at early French drama and the way it compels us to consider where the stage ends and where real life begins This ambitious and bracing study explores fourteen tales of the theater that are at turns dark and dangerous sexy and scandalous humorous and frightening stories that are nurtured by the confusion between truth and fiction and imitation and enactment until it becomes impossible to tell whether life is imitating art or art is imitating life Was a convicted criminal executed on stage during a beheading scene Was an unfortunate actor driven insane while playing a madman Did a theatrical enactment of a crucifixion result in a real one Did an androgynous young man seduce a priest when portraying a female saint Enders answers these and other questions while presenting a treasure trove of tales that have long seemed true but are actually medieval urban legends On topics ranging through politics religion marriage class and law these tales Enders argues do the cultural work of all urban legends they disclose the hopes fears and anxieties of their tellers Each one represents a medieval meditation created or dramatized by the theater with its power to blur the line between fiction and reality engaging anyone who watches performs or is represented by it Each one also raises pressing questions about the medieval and modern world on the eve of the Reformation when Europe had never engaged more anxiously and fervently in the great debate about what was real what was pretend and what was pretense Written with elegance and flair and meticulously researched *Death by Drama and Other Medieval Urban Legends* will interest scholars of medieval and Renaissance literature history theater performance studies and anyone curious about urban legends

Film, Folklore and Urban Legends Mikel J. Koven, 2008 From Alien to When a Stranger Calls many films are based on folklore or employ an urban legend element to propel the narrative But once those traditional aspects have been identified do they warrant further scrutiny Indeed why is the study of folklore in popular film important In Film, Folklore and Urban Legends Mikel J Koven addresses this issue by exploring the convergence of folklore with popular cinema studies Well beyond the identification of traditional motifs in popular cinema Koven reveals new paradigms of filmic analysis which open up when one looks at movies through the lens of folklore In particular this book focuses on the study of urban legends and how these narratives are used as inspiration for a number of films Divided into five sections the book begins with a general survey of the existing literature on folklore film predominantly from the perspective of folklore studies Subsequent chapters address discourses of belief how urban legends provide the organizing principle of some films and how certain films act out or perform a legend Movies discussed in this book include Alligator Candyman The Curve Dead Man on Campus I Know What You Did Last Summer Urban Legend Weekend at Bernie s and The Wicker Man as well as zombie films killer bee movies and slasher films including Halloween Black Christmas The Burning and Terror Train Koven also devotes attention to key television shows such as The X Files and Most Haunted In his analysis Koven explains not only how film and television narratives are built upon already existing popular culture beliefs but also how films and television shows recycle

those beliefs back into popular culture Taken as a whole Film Folklore and Urban Legends both stands on its own as the first book length study of folklore and popular cinema and as an introductory textbook for the study of folklore and film *Digital Forensics, Investigation, and Response* Chuck Easttom, 2021-08-10 Digital Forensics Investigation and Response Fourth Edition examines the fundamentals of system forensics addresses the tools techniques and methods used to perform computer forensics and investigation and explores incident and intrusion response The Truth Never Stands in the Way of a Good Story Jan Harold Brunvand, 2000 Here he the author looks in detail at a dozen rampant and long lived examples of this vigorous category of contemporary folklore tracing their histories variations sources and meanings Jacket
