Jessica Ingro, Kathy Krick

Urban Love Prophecy Jessica Ingro:

Urban Love Prophecy Jessica Ingro, Kathy Krick, 2014-06-20 This isn't a story about a bad boy and a girl from the right side of the tracks. This is the story of a man and a woman discovering love is blind to how you grew up, who your friends are, and where you live. Love sees only the heart and soul of whom it belongs to. Someone once said that the best way to predict the future is to invent it. As a boy, Jayson Santiago made a vow to leave behind the projects where he grew up. He planned to conquer the world and find a woman who could not only hold it down but also hold him up. Now he's the reigning king of hip hop, and while he has the professional success he always wanted, he's missing the personal success he craves. Victoria Watson is the daughter of an oil tycoon who never wanted for anything. Circumstances have forced her out of her protective bubble and into the real world where she struggles to make ends meet while finding a way to get back the only important thing in her life. Will they be able to make Jayson's prophecy come true? Or will they be pushed past their breaking point? It isn't easy to keep focused on the heart and soul of the one you love when you're always being tested. Then again, the best things in life are always worth fighting for.
