Collected Works of the Thirtieth Chief of Staff, United States Army
John Adams Wickham, 1987 This book a compilation of written and spoken works is intended to provide insight into the author's tour as Army Chief of Staff The book includes major addresses to military and civilian audiences Congressional testimony interviews published articles letters to General Officers and edited White Papers The editors have prepared a prologue an introduction to each section in the book and an epilogue to assist the reader in using these collected works from DTIC abstract

U. S. Army Continuity of Operations (COOP) Program Policy and Planning Department of the Army Headquarters, Department of the Army, 2015-07-07 This regulation establishes responsibilities policies and planning guidance to ensure the effective execution of critical Army missions and the continuation of mission essential functions MEFs under all circumstances All Department of the Army DA continuity related activities will be coordinated and managed under the Army Continuity of Operations COOP Program This regulation is the proponent policy document for the U S Army COOP program If there is any conflict in this guidance with any other Army regulation pamphlet or other Army document this regulation takes precedence A COOP plan is complementary to other continuity programs and is a part of the foundation for Army COOP

United States Army Counterinsurgency and Contingency Operations Doctrine, 1860-1941 Andrew J. Birtle, 1998-04 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price U S Army Counterinsurgency and Contingency Operations Doctrine 1860 1941 is the first of a two volume study on the U S Army's experience in small war situations and the development of low intensity conflict doctrine Focusing on the suppression of insurgent or other irregular forces during overseas constabulary and contingency operations from the Civil War years up to America's entry into World War II Andrew J Birtle has filled an important omission in military historiography by writing about the underlying theories concepts and methods employed in the conduct of myriad unconventional missions with soldiers serving as governors constables judges diplomats explorers colonizers educators administrators and engineers Even though official codified written doctrine for counterguerrilla pacification and nation building activities prior to World War II has long been viewed as nonexistent Birtle uncovers through his meticulous research an evidentiary thread of continuity in the Army's performance and thus maintains that some of the central principles governing such operations were indeed incorporated into official Army doctrinal literature The events discussed unquestionably occurred long ago but many of the issues raised by Birtle have enduring relevance for today's Army People places and events may change yet the fundamental questions involved in suppressing insurrections fighting irregulars administering civilian populations and

conducting foreign intervention remain surprisingly constant in this unpredictable world of ethnic tensions and turmoil By studying how soldiers dealt with these complex issues in the past Birtle's well written account offers valuable insights to guide current and future soldiers when called upon to conduct similar operations Military strategists historians and civilians interested in America's early history may find this resource appealing and offer a better understanding of Army doctrine from a historical perspective Related products Mexican Expedition 1916 1917 is available here <https://bookstore.gpo.gov/products/sku/008/029/00600/6> Commerce Raiding is available here <https://bookstore.gpo.gov/products/sku/008/046/00282/7> From Transformation to Combat The First Stryker Brigade at War can be purchased here <https://bookstore.gpo.gov/products/sku/008/029/00459/3> United States Army in World War II War in the Pacific Triumph in the Philippines Print Paperback format is available here <https://bookstore.gpo.gov/products/sku/008/029/00503/4> Other products produced by the U S Army Center of Military History can be found here <https://bookstore.gpo.gov/agency/1061> **Military Review**, 2017 **Air University Library Index to Military Periodicals**, 1995 *A History of the U.S. Army Nurse Corps* Mary T.
