

A close-up photograph of a bowling ball hitting a pin. The ball is a solid, bright orange color and is positioned in the center of the frame, slightly below the horizontal line of the pins. It is in motion, as indicated by a slight blur and a bright, circular light flare behind it. The pin it is hitting is white with two red rings near the top. There are other pins visible in the background, also white with red rings, but they are out of focus. The background is dark, likely the bowling alley's lane. The overall lighting is dramatic, with the ball and the pin it is hitting being the primary light sources.
