The Gift of Trans-Heritance Randolph E. Okonkwo, 2013-07 The awareness of the spiritual powers of the infinite God is embedded within the finite plane of mankind The Gift of Trans Heritance delves into the awareness of these spiritual powers The image and likeness of God comes with many other precious gifts transferred to mankind in spirit Mankind inherited tremendous power that comes with the infinitude of the Spirit of God Mankind is alive in abundance of all the gifts given to him from the Infinite Council of Eternal Deliberations The council of the three Godhead The best democratic principles is embedded in the image and likeness of God And more so our lives and science of it is beyond the human comprehension In the expression of God nothing is hidden He shows himself that who he is God has no flaw in all he does including his creations His infinitude is the exact unlimited power that he is The same infinite power is expressed to finitude in the image and likeness of God in spirit There is only one spirit one God and the same one spirit who lives in all people This spirit has no fear of any kind and will never have one The material man has fear for man lives and believes in matter not spirit Where there is no fear there will be no doubt of any kind The belief in this spirit and awareness of this spirit within you rules out any doubt for if you establish oneness with this spirit you will always have confidence in faith Doubt is opposite of faith and the two can never coexist When we depend with faithfulness and humbleness on He who made us in His image and likeness we would have crossed over to the stage of life in its fullness

The Gift of God Is Eternal Life Steven H. Propp, 2016-12-28 According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory The Gift of God Is Eternal Life explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants

who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions The Gift of God Is Eternal Life can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now **The Gift of God Is Eternal Life** Debra Smith, 2025-07-18 Do we live for eternity in hell Do you have a hard time believing the concept that people will live for eternity in hell Would you believe that there is death there instead There are two choices for eternity either you live for eternity or you don't Using biblical quotes and references throughout author Debra K Smith examines the ability to live an eternal life the concept of two deaths the length of time one might spend in hell and how to overcome sin by receiving the gift of the Holy Ghost About the Author Debra K Smith a Smith who married a Smith and her husband are the parents of five children three daughters and two sons and have thirteen grandchildren one great grandchild and two more on the way They are retired dairy farmers from Wisconsin Three of her grandparents were in the church She had one great grandmother who came into the church in her old age she was easily able to accept this truth of receiving the Holy Ghost because she heard her mother Debra's great great grandmother speaking in tongues on her deathbed At the time she thought her mother was just talking gibberish but after experiencing the Holy Ghost she knew that her mother was actually speaking in tongues Why did God choose Smith to reveal this message Many times He chooses to use the farmer just like He chose the shepherds to witness and reveal His birth Jeremiah 1:6 Then said I Ah Lord God behold I cannot speak for I am a child a woman But the Lord said unto me Say not I am a child a woman for thou shalt go to all that I shall send thee and whatsoever I command thee thou shalt speak The English Illustrated Magazine: "The Gift of the Sea", 1912 **A Discourse concerning the Gift of Prayer, etc** John WILKINS (Bishop of Chester.), 1667
