True Expressions Levette Pinkey,2016-08-11 True Expressions Everyone has their way of dealing with pain or something that occurs in your life I love the rain the thunder and the lightning I can t explain fully what it does to me But

that's when I have my best moments of writing and creativity One day I stumbled across my tablet with poems in them and I thought Wow I have been doing this for some time now So I put the poems in order of events in my life When reading these poems I thought not only did I express my emotions within in my words but that the words spoken are of truth and not of fiction Struggles of a Poet In each poem I could see and most importantly feel my own struggle and remembering this was once real and today I still face struggles of my past My desire to be heard and my not knowing if one day my poetry could be heard and if somehow my words could help or touch another Wise words of my late brother I remember him saying Why do you continue to write in those tablets and then put it in the closet If you don't ever invest and believe in yourself first no one else will and how will you know if you never try I give you my poetry and within that I give you my life story of how my passion for writing became true expressions of my life struggles
