The Global War On Morris A Novel:

The Global War on Morris Steve Israel, 2015-11-10 Meet Morris Feldstein a pharmaceutical salesman living and working in western Long Island who loves the Mets loves his wife Rona and loves things just the way they are He doesn't enjoy the news he doesn't like to argue Rona may want to change the world Morris wants the world to leave him alone Morris does not make waves But one day Morris is seduced by a lonely lovesick receptionist at one of the doctors offices along his sales route and in a moment of weakness charges a non business expense to his company credit card No big deal you might think Easy mistake But the government's top secret surveillance program anchored by a giant complex supercomputer known as NICK thinks differently Eventually NICK begins to thread together the largely disparate and tenuously connected strands of Morris's life

The American Popular Novel After World War II David Willbern, 2013-03-29 Through the perspectives of selected best selling novels from the end of World War II to the end of the 20th century including *The Catcher in the Rye* *To Kill a Mockingbird* *The Godfather* *Jaws* *Beloved* *The Silence of the Lambs* and *Jurassic Park* this book examines the crucial issues the U.S. was experiencing during those decades These novels represent the voices of popular conversations as Americans considered issues of family class racism and sexism feminism economic ambition sexual violence war law religion and science Through the windows of fiction the book surveys the Cold War and anti communism the prefeminist era of the 1950s and the sexual revolution of the 1970s forms of corporate power in the 1960s and 1980s the traumatic legacies of slavery and Vietnam the American fascination with lawyers cops and criminals alternate styles of romance in the era of late capitalism our abiding distrust of science and our steadfast wonder about the Great Mysteries

French crime fiction and the Second World War Claire Gorrara, 2017-10-03 This study explores France's preoccupation with memories of the Second World War through an examination of popular culture and one of its more enduring forms crime fiction It examines what such popular narratives have to tell us about past and present perceptions of the war years in France and how they relate to post war debates over memory culture and national identity Starting with narratives of the Resistance in the late 1940s and concluding with contemporary crime fiction for younger readers Gorrara examines popular memories of the Second World War in dialogue with the changing social cultural and political contexts of remembrance in post war France From memories of the persecution of Jews and French collaboration to the legacies of the concentration camps and the figure of the survivor witness all the crime novels discussed grapple with the challenges of what it means to live in the shadow of such a past for generations past present and future

The Oxford History of the Novel in English Cyrus R. K. Patell, Deborah Lindsay Williams, 2024-03-05 The Oxford History of the Novel in English is a twelve volume series presenting a comprehensive global and up to date history of English language prose fiction written by a large international team of scholars The series is concerned with novels as a whole not just the literary novel and each volume includes chapters on the processes of production distribution and reception and on popular fiction and the fictional sub genres as well as outlining the

work of major novelists movements and tendencies This book offers an account of US fiction during a period demarcated by two traumatic moments the eve of the entry of the United States into the Second World War and the onset of the Covid 19 pandemic The aftermath of the Second World War was arguably the high point of US nationalism but in the years that followed US writers would increasingly explore the possibility that US democracy was a failure both at home and abroad For so many of the writers whose work this volume explores the idea of nation became suspect as did the idea of national literature as the foundation for US writing Looking at post 1940s writing the literary historian might well chart a movement within literary cultures away from nationalism and toward what we would call cosmopolitanism a perspective that fosters conversations between the occupants of different cultural spaces and that regards difference as an opportunity to be embraced rather than a problem to be solved During this period the novel has had significant competition for the US public's attention from other forms of narrative and media film television comic books videogames and the internet and the various forms of social media that it spawned If however the novel becomes a residual form during this period it is by no means archaic The novel has been reinvigorated over the past eighty years by its encounters with both emergent forms such as film television comic books and digital media and the emergent voices typically associated with multiculturalism in the United States

Henry Williamson and the First World War Anne Williamson, 2004-02-28 Henry Williamson is known for his book *Tarka the Otter* yet his time in World War I trenches affected him profoundly This book draws on his letters diaries photographs and notebooks written at the time to give us a detailed account of life in the trenches of the First World War It also offers us a rare insight into the making of a novelist

Re-Imagining the First World War Anna Branach-Kallas, Nelly Strehlau, 2015-09-18 In the Preface to his ground breaking *The Great War and Modern Memory* 1975 Paul Fussell claimed that the dynamics and iconography of the Great War have proved crucial political rhetorical and artistic determinants on subsequent life Forty years after the publication of Fussell's study the contributors to this volume reconsider whether the myth generated by World War I is still part of the fiber of people's lives in English speaking countries What is the place of the First World War in cultural memory today How have the literary means for remembering the war changed since the war Can anything new be learned from the effort to re imagine the First World War after other bloody conflicts of the 20th century A variety of answers to these questions are provided in *Re-Imagining the First World War New Perspectives in Anglophone Literature and Culture* which explores the Great War in British Irish Canadian Australian and post colonial contexts The contributors to this collection write about the war from a literary perspective reinterpreting poetry fiction letters and essays created during or shortly after the war exploring contemporary discourses of commemoration and presenting in depth studies of complex conceptual issues such as gender and citizenship *Re-Imagining the First World War* also includes historical philosophical and sociological investigations of the first industrialised conflict of the 20th century which focus on responses to the Great War in political discourse life writing music and film from the experience of missionaries isolated

during the war in the Arctic and Asia through colonial encounters exploring the role of Irish Chinese and Canadian First Nations soldiers during the war to the representation of war in the world famous series Downton Abbey and the 2013 album released by contemporary Scottish rock singer Fish The variety of themes covered by the essays here not only confirms the significance of the First World War in memory today but also illustrates the necessity of developing new approaches to the first global conflict and of commemorating new victims and agents of war If modes of remembrance have changed with the postmodern ethical shift in historiography and cultural studies which encourages the exploration of other subjectivities in war so far concealed affinities and reverberations are still being discovered on the macro and micro historical levels the Western and other fronts the battlefield and the home front Although it has been a hundred years since the outbreak of hostilities there is a need for increased sensitivity to the tension between commemoration and contestation and to re member re conceptualise and re imagine the Great War **The Penguin Book of First World War Stories** Ann-Marie

Einhaus, Barbara Korte, 2007-10-25 An anthology of Great War short stories by British writers both famous and lesser known authors men and women during the war and after its end These stories are able to illustrate the impact of the Great War on British society and culture and the many modes in which short fiction contributed to the war s literature The selection covers different periods the war years themselves the famous boom years of the late 1920s to the more recent past in which the First World War has received new cultural interest Contemporary Military Strategy and the Global War on Terror Alastair Finlan, 2014-06-19 Contemporary Military Strategy and the Global War on Terror offers an in depth analysis of US UK military strategy in Afghanistan and Iraq from 2001 to the present day It explores the development of contemporary military strategy in the West in the modern age before interrogating its application in the Global War on Terror The book provides detailed insights into the formulation of military plans by political and military elites in the United States and United Kingdom for Operation Enduring Freedom and Operation Iraqi Freedom Alastair Finlan highlights the challenges posed by each of these unique theatres of operation the nature of the diverse enemies faced by coalition forces and the shortcomings in strategic thinking about these campaigns This fresh perspective on strategy in the West and how it has been applied in recent military campaigns facilitates a deep understanding of how wars have been and will be fought Including key terms concepts and discussion questions for each chapter Contemporary Military Strategy and the Global War on Terror is a crucial text in strategic studies and required reading for anyone interested in the new realities of transnational terrorism and twenty first century warfare *Handbook of British Literature and Culture of the First World War* Ralf Schneider, Jane

Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including

of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War

American Historical Fiction Lynda G. Adamson,1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers I American Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting

Quarterly Review of Military Literature ,1977 **Professional Journal of the United States Army** ,1977

Military Review ,2008 *American Novelists Since World War II* Jeffrey Helterman,Richard Layman,1978 Contains alphabetically arranged entries that provide career biographies of eighty American authors who either began writing novels after 1945 or have done their most important work since then each with a list of principal works and a bibliography **A Book of Indiana** Kin Hubbard,1929 World War II in the Pacific William A. Renzi,Mark D. Roehrs,2015-06-01 World War II laid the groundwork for much of the international system that exists today especially in the Pacific Rim This brief but comprehensive survey of the War in the Pacific incorporates both United States and Japanese perspectives providing a global approach to the Asian theater of the conflict Drawing on decades of new scholarship and written in an engaging narrative style this book traces United States Japanese relations from the late nineteenth century to the war s end in 1945 It covers every aspect of the war and gives special attention to ongoing historical debates over key issues The book also provides new details of many facets of the conflict including expansionism during the 1930s events and policies leading up to the war the importance of air power and ground warfare military planning and strategic goals the internment of Japanese Americans in the U S Allied plans and disputes over Russian participation the decision to drop the atomic bomb and conditions for surrender Civilization and the World War Anson Daniel Morse,1919 **Vin Rouge, Vin Blanc, Beaucoup Vin, the American Expeditionary Force in Wwi** Van Lee,2004 World War One was the war to end all wars but in reality it was only the beginning WWI saw America move from an isolated power to a world power placing it as a leader in international politics It saw the US military rapidly expand from a second rate force to a world class fighting force It would become a defining moment for the United States its military and its citizens Explore American involvement in the war learn from where America came and where it would go **French Crime Fiction, 1945-2005** Margaret-Anne Hutton,2016-04-22 In the first major study of representations of World War II in French crime fiction Margaret Anne Hutton draws on a corpus of over a hundred and fifty texts spanning more than sixty years Included are well known writers male and female such as Aubert Simenon

Boileau Narcejak Vargas Daeninckx and Jonquet as well as a broad range of lesser known authors Hutton's introduction situates her study within the larger framework of literary representations of World War II setting the stage for her discussions of genre the problem of defining crimes and criminals in the context of the war the epistemological issues that arise in the relationship between World War II historiography and the crime novel and the temporal textures linking past crimes to the present Filling a gap in the fields of crime fiction and fictional representations of the War Hutton's book calls into question the way both crime fiction and the French theatre of World War II have been conceptualized and codified

Literature of Travel and Exploration Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website

Thank you entirely much for downloading **The Global War On Morris A Novel**. Most likely you have knowledge that, people have look numerous times for their favorite books in imitation of this The Global War On Morris A Novel, but stop occurring in harmful downloads.
