originally published as *It's Not About You* they offer an equally compelling tale about a struggling small business and the ambitious young executive trying to lead them to a crucial decision. Allen Augustine has manufactured high quality chairs for decades. Its people take pride in their work and feel loyal to their owners and management team. But this revered company is now at a crossroads hurt by a tough economy, foreign competition and a cash crunch. The air is filled with the scent of uncertainty, anxiety, perhaps even panic. Into this setting enters Ben who's been assigned by a larger firm to promote a merger that will rescue Allen Augustine. Ben's facts are undeniable: the chair maker can either merge and modernize or go bankrupt and vanish. So why can't he persuade anyone to buy in from the CEO on down? Will Ben find a way to sway the employee shareholders before the climactic vote? And can Allen Augustine survive without losing its soul? The answers may surprise you as you follow Ben on his journey to understanding that the path to genuine influence lies less in taking leadership than in giving it. This revised and updated edition includes a new introduction, a discussion guide and a Q & A with the authors.

The Go-Giver Marriage John David Mann, Ana Gabriel Mann, 2022-03-08 To say love is what makes a marriage work is like saying it takes oxygen to climb a mountain. Yes, oxygen is necessary. But not sufficient. From the author of the bestselling *Go Giver* series and his wife, a clinically trained therapist, this one-of-a-kind relationship guide shows readers how to unlock a deeply satisfying, abundant relationship based on simple everyday acts of generosity. In this new narrative, a position has opened up at the top of the multinational giant Rachel's Famous Coffee and Tom desperately wants the job. To gain the position, he must first go through a series of interviews with the company's top executives, including its eccentric CFO, Jeremiah. Tom's wife, Tess, is facing her own challenges. The couple first met on the job where Tess was a rising star until her career was put on hold by the birth of a son with special needs. The trauma and heartbreak of the past six years has put tremendous stress on their marriage. Now Tess has learned that her best friend Amy is getting a divorce. Could she and Tom be drifting in the same direction? The thought leaves her stomach in knots. But Tom and Tess are about to have a transformational day. Over the next few hours, they will each learn from a wise cast of characters, including some surprise guests from previous *Go Giver* stories, about five powerful secrets to building a love that lasts. Over the years since the original book's publication, the term *go giver* has become shorthand for a defining set of values that has helped hundreds of thousands of people around the world find greater professional success. Now, with its charming fable within a parable, followed by an in-depth practical guide, *The Go Giver Marriage* brings the personal side of *The Go Giver* to life.

The Go-Giver Influencer Bob Burg, John David Mann, 2018-04-10 From the bestselling authors of *The Go Giver*, *Go Givers Sell More*, and *The Go Giver Leader*, comes another compelling parable about the paradox of getting ahead by placing other people's interests first. *The Go Giver Influencer* is a story about two young, ambitious businesspeople: Gillian Waters, the chief buyer for Smith and Jackson Hill, the founder of Angels Clothed in Fur, a small but growing manufacturer of all-natural pet foods. Each has something the other wants. To Jackson Smith Banks represents the possibility of reaching more animals with

his products if he can negotiate terms and conditions that will protect his company's integrity To Gillian Angels Clothed in Fur could give her company a distinctive uniquely high quality line that will help them stand out from their competitors if Angels Clothed in Fur can be persuaded to give them an exclusive At first the negotiations are adversarial and frustrating Then coincidentally Gillian and Jackson each encounter a mysterious yet kindly mentor Over the next week while neither one realizes the other is doing the same both Gillian and Jackson learn the heart of both mentors philosophies The Five Secrets of Genuine Influence The story ends in a way that surprises everyone and with lessons we can all apply in our efforts to resolve conflicts and influence others
