The Goneaway World:

The Gone-Away World Nick Harkaway, 2008-09-02 A hilarious action packed look at the apocalypse that combines a touching tale of friendship a thrilling war story and an all out kung fu infused mission to save the world A flat out ferociously good novel Reads like a surrealist smashup of Pynchon and Pratchett Vonnegut and Heller Austin Chronicle Gonzo Lubitch and his best friend have been inseparable since birth They grew up together they studied kung fu together they rebelled in college together and they fought in the Go Away War together Now with the world in shambles and dark nightmarish clouds billowing over the wastelands they have been tapped for an incredibly perilous mission But they quickly realize that this assignment is more complex than it seems and before it is over they will have encountered everything from mimes ninjas and pirates to one ultra sinister mastermind whose only goal is world domination **Canary Fever** John Clute, 2016-11-24

Canary Fever is a collection of reviews about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times The title refers to the canary in the coal mine who whiffs gas and dies to save miners reviewers of fantastika can find themselves in a similar position though words can only hurt us Unsafe Attachments Caroline Oulton, 2011-05-10 Unsafe Attachments explores the relationships of a loosely interlinked group of Londoners Caught off guard at key points they face moments of sudden temptation in their busy established lives as well as increasingly difficult choices Dinah harried and pregnant is haunted by images of death on her way to Heathrow Abi a senior civil servant embarks upon an affair with a Nigerian journalist as her teenage daughter kind of shags her teacher Alex increasingly keen to settle down numbly accompanies his ex girlfriend to an abortion clinic A glance at a party turns into a fumbling grope and then a guilty hangover for Roger whose live in girlfriend is smugly satisfied that her life is on course Lonely caf owner Carey spots his married shrink passionately kissing another woman in a park while Tina s desperate wish for a child jeopardises everything that is important to her Relationships are acutely observed the delights and tensions of living together cheating on one another and trying to make lasting connections in this vast modern city Love real or imaginary causes hearts to crack and lives to crumble but there is also hope and sometimes there are second chances *The Complete Works of the Swami Vivekananda* Swami
