The Gospel Of The Pentateuch:

The Gospel in the Pentateuch Herbert Lockyer, 2017-05-02 The Old Testament is not light summer reading Some chapters seem downright boring such as the genealogies the census listings and the laws and others gruesome and wrong such as the graphic descriptions of sacrifices or killing the enemy Why would God want us to read all that Scholar Dr Herbert Lockyer calls the Bible the masterpiece of the divine Mind because despite its sixty six books it is woven throughout with the same truth the gospel In this study of the Pentateuch Lockyer provides a birds eye view of the first five books of the Bible systematically explaining how each of the first five books fit inside God s greater plan His detailed practical gospel infused survey provides ample reason for why the Old Testament is still relevant to today s believer Includes charts questions for review at the end of each chapter and outlines of each of the five books

to my people the Gospel of the Old Testament as the same with that of the New and without it many of these Sermons would have been very different from and I am certain very inferior to what they are now by the help of your admirable book Brought up like all Cambridge men of the last generation upon Paley's Evidences I had accepted as a matter of course and as the authoritative teaching of my University Paley's opinions as to the limits of Biblical criticism 0a quoted at large in Dean Milman's noble preface to his last edition of the History of the Jews and especially that great dictum of his that it is an unwarrantable as well as unsafe rule to lay down concerning the Jewish history that which was never laid down concerning any other that either every particular of it must be true or the whole false

The Gospel of the Pentateuch: A Set of Parish Sermons Charles Kingsley, 2019-12-11 In *The Gospel of the Pentateuch: A Set of Parish Sermons* Charles Kingsley offers a profound exploration of the foundational texts of the Hebrew Bible revealing their enduring theological significance through a series of twelve carefully crafted sermons Kingsley's literary style engages the reader through eloquent prose that balances scholarly insight with pastoral warmth He situates these sermons within the broader Victorian context reflecting the era's burgeoning interest in integrating religious faith with emerging scientific understanding while proactively addressing the moral and ethical dilemmas faced by contemporary society Charles Kingsley a prominent Victorian author and clergyman was deeply influenced by his belief in social justice and the moral imperative of Christianity His experiences in diverse settings including his efforts in social reform shaped his views on the need for a more credible and transformative interpretation of Biblical texts By presenting the Pentateuch in a relatable manner he aimed to bridge the gap between ancient scripture and modern
