Hidden Power of Speaking in Tongues Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues* The book was an immediate success as thousands were touched by the power of this spiritual gift The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift **The Hidden Power of the Blood of Jesus** Mahesh Chavda, 2011-07-28 In this pop Christian culture many believers have never been exposed to the great truths upon which the Church of Jesus Christ has been built One of those forgotten truths is the purpose and power of the blood of Jesus We sing about it in our hymns there is power in the blood but few of us have experienced the reality of those words Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer The Hidden Power of the Blood of Jesus is theologically sound but passionately written in a way that the reader will gasp for air as he discovers each new truth Chavda will transform your thinking on the blood of Jesus as he lifts it out of its stuffy theological setting and makes it practical in your life Intercession James W.
