Classics Transformed in Jewish, Israeli, and Palestinian Receptions ,2025-02-19 Classics Transformed in Jewish Israeli and Palestinian Receptions invites the reader to view classical antiquity through the writings of poets translators and scholars emerging from modern Jewish diasporas Mandatory Palestine and the State of Israel who engaged

with Greek and Roman literary precedents Whereas these voices have up to now been mostly studied independently of one another as separate fields of research this volume brings some of these distinct voices who nevertheless share a connection to Greco Roman antiquity into conversation with one another Taking its cue from the crisis of humanism following the Holocaust the chapters take as their themes the destruction of home displacement and different forms of wandering and homecomings drawing connections to acts of translation and transmission of the classics to form a picture of cultural and textual states of alterity The volume shows that Jewish Israeli and Palestinian responses to the classics are entangled and even complementary despite their different trajectories The chapters included here focus particularly on critical moments in Jewish and Palestinian existence when the reception of classical humanism is closely linked to issues of survival On offer here is a historically grounded investigation into the ways Jews Israelis and Palestinians have used classical antiquity and classical philology to validate their identity in a rapidly changing society

Who Faked the "World's Oldest Bible"? David W.

Daniels,2021-07-09 If the devil has cooked up a plot against your Bible would you want to know it Conspiracy theories are destroyed by solid evidence Author David W Daniels came to the point where he could no longer ignore the mounting evidence He was schooled in Bible college and seminary to believe that the King James was hopelessly obsolete But the mounting confusion around the new Bible translations left him wondering He already knew how to use modern search techniques to quickly discover relevant evidence He soon learned that the Bible version issue was more than a baseless conspiracy Many new facts had become available shedding light on the history of Bible versions He learned that the scholars who decided over 100 years ago to fix the King James may not have had the best intentions His discovery of Satan s plan to damage God s words is chronicled in a series of books In 2017 his book *Is the World s Oldest Bible a Fake* presented heavy evidence against Codex Sinaiticus the manuscript that scholars claim is the world s oldest Bible This book attempts to answer the next question *Who Faked the World s Oldest Bible* It reads like a mystery novel but over 100 illustrations and more than 300 footnotes gives it the force of a graduate research paper The murky narrative of the discovery and evaluation of the Sinaiticus becomes much clearer with this new book Daniels leaves it up to the reader to decide how this might affect his or her eternal destiny

The Cambridge Bibliography of English Literature Frederick Wilse Bateson, 1940 **J. R. R. Tolkien** Charles Moseley, 1995-12 Tolkien was a specialist in a research field He did not at least initially write for a mass audience Yet for many in the 60s his books particularly Lord of the Rings became a political badge and an interpretative text Widely translated his fiction won the accolade both of parody and of its own learned journal rock bands took names from his characters and Tolkien or how he was read demonstrably affected modern fantasy in writing film video and board game This book explores how his work came to be so diversely received Dr Moseley's critical discussion examines Tolkien's view of fiction as sub creation exploring his analysis of mythopoeia and of the status of art and literature in relation to his own practice It is argued that in the critical concerns of Tolkien and his circle lie the key to important issues in his fiction His use of linguistic game and literary pastiche is explored without obscuring his emotional commitment to the making of myths that expressed some of his **The New Statesman**, 1923 **The Bookman's Journal and Print Collector** Wilfred Partington, 1922 *Practitioner's Handbook on International Arbitration and Mediation - Third Edition* Richard Chernick, Daniel M.
