Kinship in the Fiction of N. K. Jemisin Berit Åström, Jenny Bonnevier, 2023-01-24 Kinship in the Fiction of N K Jemisin Relations of Power and Resistance examines the work of N K Jemisin through the lens of critical kinship studies In a world increasingly suffering the effects of climate change currently undergoing a sixth mass extinction and where anti democratic racist and misogynist movements are gaining ground in many societies there is an urgent need to re imagine our most intimate relations and the webs of kinship that form our societies but also connect us to the more than human world The essays in this collection shed new light on the ways in which Jemisin's fiction does such re imaginative work and explores both the contemporary moment and the potential for a future that is other than our present

The World We Make N. K. Jemisin, 2022-11-01 Four time Hugo Award winning and New York Times bestselling author N K Jemisin crafts a glorious tale of identity resistance magic and myth All is not well in the city that never sleeps Even though the avatars of New York City have temporarily managed to stop the Woman in White from invading and destroying the entire universe in the process the mysterious capital E Enemy has more subtle powers at her disposal A new candidate for mayor wielding the populist rhetoric of gentrification xenophobia and law and order may have what it takes to change the very nature of New York itself and take it down from the inside In order to defeat him and the Enemy who holds his purse strings the avatars will have to join together with the other Great Cities of the world in order to bring her down for good and protect their world from complete destruction N K Jemisin's Great Cities Duology which began with *The City We Became* and concludes with *The World We Make* is a masterpiece of speculative fiction from one of the most important writers of her generation The Great Cities

Squee from the Margins Rukmini Pande,2018-12-01 Rukmini Pande s examination of race in fan studies is sure to make an immediate contribution to the growing field Until now virtually no sustained examination of race and racism in transnational fan cultures has taken place a lack that is especially concerning given that current fan spaces have never been more vocal about debating issues of privilege and discrimination Pande s study challenges dominant ideas of who fans are and how these complex transnational and cultural spaces function

expanding the scope of the field significantly Along with interviewing thirty nine fans from nine different countries about their fan practices she also positions media fandom as a postcolonial cyberspace enabling scholars to take a more inclusive view of fan identity With analysis that spans from historical to contemporary Pande builds a case for the ways in which non white fans have always been present in such spaces though consistently ignored
