voice and figurative language ELA **The 5th Wave Collection** Rick Yancey, 2017-10-03 All three volumes in Yancey's award-winning New York Times bestselling series are collected in this box set *The 5th Wave*, *The Infinite Sea* and *The Last Star*

Women Who Kill David Roche, Cristelle Maury, 2020-02-20 *Women Who Kill* explores several lines of inquiry: the female murderer as a figure that destabilizes order; the tension between criminal and victim; the relationship between crime and expression or the lack thereof; and the paradox whereby a crime can be both an act of destruction and a creative assertion of agency. In doing so, the contributors assess the influence of feminist, queer, and gender studies on mainstream television and cinema, notably in the genres film noir, horror, and melodrama that have received the most critical attention from this perspective. They also analyse the politics of representation by considering these works of fiction in their contexts and addressing some of the ambiguities raised by postfeminism. The book is structured in three parts: *Neo femmes fatales*, *Action Babes*, and *Monstrous Women*. Films and series examined include *White Men Are Cracking Up* (1994), *Hit Gone Girl* (2014), *Terminator* (1984), *The Walking Dead* (2010), *Mad Max: Fury Road* (2015), *Contagion* (2011), and *Ex Machina* (2015) among others.

Alfred Kropp: The Thirteenth Skull Rick Yancey, 2010-12-01 Before *The 5th Wave*, there was Alfred Kropp. This third book in Rick Yancey's lauded series was called perfect by Rick Riordan, and James Patterson said that the action is fast, furious, and nonstop, and so is the fun. Now the books feature a bold and exciting new look for the next generation of readers to fall in love with. Alfred Kropp thought he was finally safe, but he was wrong. Not only is someone out to kill Alfred, but the very people sworn to protect him now want to use him and his abilities for deadly means. And if Alfred isn't careful, he may not be getting out of this adventure alive. Just right for fans of James Patterson and Anthony Horowitz, the third book in this acclaimed series from New York Times bestselling author Rick Yancey brings all the thrills, action, and humor to a rewarding close.

Girls on Fire Sarah Hentges, 2018-04-04 Under the threat of climate change, corruption, inequality, and injustice, Americans may feel they are living in a dystopian novel come to life. Like many American narratives, dystopian stories often focus on males as the agents of social change. With a focus on the intersections of race, gender, class, sexuality, and power, the author analyzes the themes, issues, and characters in young adult YA dystopian fiction featuring female protagonists: the *Girls on Fire* who inspire progressive transformation for the future.

The Last Star Rick Yancey, 2016-05-24 The highly anticipated finale to the New York Times bestselling 5th Wave series. The enemy is Other. The enemy is us. They're down here, they're up there, they're nowhere. They want the Earth; they want us to have it. They came to wipe us out; they came to save us. But beneath these riddles lies one truth: Cassie has been betrayed. So has Ringer. Zombie. Nugget. And all 7.5 billion people who used to live on our planet. Betrayed first by the Others and now by ourselves. In these last days, Earth's remaining survivors will need to decide what's more important: saving themselves or saving what makes us human. Praise for *The Last Star*: Yancey's prose remains achingly precise, and this grows heavier, tighter, and more impossible to put down as the clock runs out. This blistering finale proves the truth of the first two volumes: it was never about the aliens. Booklist starred review. A
