

OF THE VARIOUS
VOYAGES & TRAVELS
 UNDERTAKEN INTO
CHINA.

PART II.

CHAP. I.

By what means, by whom, and by what Voyages, at divers times, the Holy Gospel of Christ was introduced into the uttermost Regions of the East, into India, Tartaria, China, and other Countries of Asia.

SEEING that at this very day in India, China, and other Regions of Asia, there are yet remaining frequent footsteps of the Christian Religion, as I have even now shew'd, I think it will be worthy the while, if that having explained the Syro-Chaldean Monument found in China, I do now set forth in this place, by what way and occasion these Apostolical Persons penetrated into such most remote Quarters; for having accomplished this, it will clearly appear that at all times Syria, Egypt, and Grecia have been a Seminary, not only of promoting the Christian Religion in the far distant Regions, but also before the coming of Christ they were the Propagators of all Superstition throughout the whole World. And that I may proceed with the more clearness in a matter so abstruse, I shall first here set down the opinions of some concerning them; so that those things being discussed, it may more evidently appear, what ought to be resolv'd concerning the matter proposed.
