Levy,Larry A. Lebofsky,Nancy R. Lebofsky,2013-11-11 *America in Prophecy* John Quiles,2019-01-30 Is our Lord's return imminent Many Christians believe it is emphasizing that He has promised to return and that as His disciples we must be ready Yet in spite of their assurance surprisingly few of God's people may actually be prepared for His appearing Of the many signs suggesting that our Lord's return is near two in particular are of great interest the rise of Babylon and the restoration of Israel These two major end time events as foretold in Scripture have great implications for us as Americans and more specifically as Christians America in Prophecy A Nation at a Crossroads examines these two major prophetic indicators and not only reveals their importance in determining how close to our Lord's return we actually are but also their connection to what it truly means to be a disciple of Jesus Christ It unveils the big picture regarding end time Bible prophecy as it relates to America and shows how we are indeed standing at a crossroads not only as a nation but as God's corporate body the Church and as its individual members in particular America in Prophecy seeks to

answer the question of where and how we as Christians living in the United States of America at this particular juncture in history fit into God's end time scenario. Most importantly it explains what we must do to ensure that we are ready for our Lord's return. Of all the books currently on the market one may be hard pressed to find a more pertinent, timely and compelling message for today's Christian. Outside of the Bible this is quite possibly one of the most exciting books you will ever read on the subject of end time Bible prophecy and the necessity for believers everywhere to make certain they are ready for our Lord's return.
