Bloomberg Chris McNickle, 2017-09-19 Examine the Bipartisan Legacy of a Remarkable Billionaire Politician Bloomberg A Billionaire's Ambition tells the story of how one of America's most successful entrepreneurs was elected mayor of New York City and what he did with the power he won Bloomberg's stunning victory against all odds just weeks after the 9/11 terrorist attack left him facing challenges unlike any mayor in history For the next twelve years he kept the city safe managed budgets through fiscal crises promoted private sector growth generated jobs built infrastructure protected the environment supported society's cultural sensibilities and achieved dramatic improvements in public health Bloomberg was an activist executive who used government assets boldly and wisely for the greatest good for the greatest number of people His time as mayor was not without controversy Bloomberg supported stop and frisk police tactics that a judge ruled unconstitutional and jailhouse violence rose to levels so severe the federal government intervened The administration's homeless policies were ineffective And he forced a change in the city charter to allow him to serve a third term Overall record low crime and the lasting impact of innovative policies will cause his tenure to be remembered as a remarkable success Having returned to his global media empire and to his private philanthropy Bloomberg continues to challenge the National Rifle Association on gun control promote national education reform and support policies to combat climate change Frequently touted as an independent candidate for president Bloomberg leaves behind a legacy of effective government

Moving the Needle on Children's Physical Activity - How to Best Promote More Movement? Mirko Brandes, Jennifer Sacke, 2024-07-24 Globally physical inactivity is on the rise in most countries and according to the WHO it is considered one of the leading major public health risks As children's physical activity behaviors are conveyed into adulthood many interventions focus on establishing healthy physical activity habits in children to prevent the potential negative health outcomes associated with low physical activity over the life course The school environment provides an opportunity to reach the majority of children however physical activity promotion in schools can often be a challenge Barriers to the success of physical activity interventions include the physical social and economic environment competencies and workload of teachers as well as the perception that physical activity may interfere with the primary task of schools which is education Moreover the evaluation of physical activity interventions for children is challenging raising a discussion on how to best evaluate these interventions
