The Green Man:

The Green Man Harold M. Sherman, 2016-04-09 How would you greet a man from another planet With scientists declaring that manned rockets may perhaps in the next ten years be shot to the moon isn't it just as possible that some being from a far off planet might pay us earth creatures a visit tomorrow next week at any time In Harold M Sherman's exciting story **THE GREEN MAN** you get an advance idea of how the great men and women of this earth how you yourself would react when a CREATURE from ANOTHER WORLD arrives Numar **THE GREEN MAN** pays us a visit traveling over a trillion miles from his planet Talamaya via space ship to land on our world This is quite possible the most amazing story you have ever read more amazing still when you consider that it COULD happen *The Green Man* Kingsley Amis, 1971 [Walking With the Green Man](#) Bob Curran, 2007-03-05 Almost since the dawn of time the image of the Green Man the carved enigmatic head surrounded by leaves and foliage has both intrigued and mystified viewers and folklorists alike Appearing in churches taverns and even on stately buildings the carving seems shrouded in supernatural obscurity Is it merely a fertility symbol or is it something much deeper which calls for a response from us all Though it seems a predominantly Celtic icon does the concept of the Green Man also appear in other places and in other cultures What is its relevance for the world today In an absorbing new book Dr Bob Curran traces the many strands that make up this enigmatic image Tracing its origins from prehistoric times he explores its significance in the medieval world and discusses its development in the modern world He also investigates the image's psychological appeal which has allowed it to continue down through the ages and pulling from a variety of sources its impact upon other cultures in various parts of the world From heroic archetypes such as Robin Hood to Demigods such as Herne the Hunter from the King of the Woods to the Jack in the Green *Walking With the Green Man* examines the interconnection of man and Nature throughout history Whether as a man amongst the trees a man of the trees or a symbol of Nature used to express secrets and solidarity the Green Man's visage is traced throughout lands and cultures *Walking With the Green Man* will appeal to all those who are interested in the image of the Green Man as an example of symbolic art as well as to those who are interested in folklore and the interplay between folklore and culture It is a fascinating study which not only examines the history of the icon but also its development within human perception **The Mythic Forest, the Green Man and the Spirit of Nature** Gary R. Varner, 2006 In this world tour of folklore and ancient art Varner examines the images we give to the spirit of nature and explores this important aspect of human perception [The Path of the Green Man](#) Michael Thomas Ford, 2005 A handbook containing information of interest to gay men who want to know what paganism and Wicca are how these traditions speak specifically to them and how to go about beginning to explore pagan spirituality as a rewarding spiritual path *The Path of the Green Man* is composed of two parts arranged in alternating chapters The first part is a basic primer on paganism and Wicca on spiritual practice and beginning to play with the tools of spirituality The second part puts all of this information to use in a practical guide to living the pagan year
