The American and English Railroad Cases ,1908 **Indigenous Poetics in Canada** Neal McLeod,2014-05-16 Indigenous Poetics in Canada broadens the way in which Indigenous poetry is examined studied and discussed in Canada Breaking from the parameters of traditional English literature studies this volume embraces a wider sense of poetics including Indigenous oralities languages and understandings of place Featuring work by academics and poets the book examines four elements of Indigenous poetics First it explores the poetics of memory collective memory the persistence of Indigenous poetic consciousness and the relationships that enable the Indigenous storytelling process The book then explores the poetics of performance Indigenous poetics exist both in written form and in relation to an audience Third in an examination of the poetics of place and space the book considers contemporary Indigenous poetry and classical Indigenous narratives Finally in a section on the poetics of medicine contributors articulate the healing and restorative power of

Indigenous poetry and narratives A Translation of the Old Testament Scriptures from the Original Hebrew Helen Spurrell, 1885 Crime and Society in England Clive Emsley, 2013-09-13 Acknowledged as one of the best introductions to the history of crime in the eighteenth and nineteenth centuries Crime and Society in England 1750 1900 examines the developments in policing the courts and the penal system as England became increasingly industrialised and urbanised The book challenges the old but still influential idea that crime can be attributed to the behaviour of a criminal class and that changes in the criminal justice system were principally the work of far sighted humanitarian reformers In this fourth edition of his now classic account Professor Emsley draws on new research that has shifted the focus from class to gender from property crime to violent crime and towards media constructions of offenders while still maintaining a balance with influential early work in the area Wide ranging and accessible the new edition examines the value of criminal statistics the effect that contemporary ideas about class and gender had on perceptions of criminality changes in the patterns of crime developments in policing and the spread of summary punishment the increasing formality of the courts the growth of the prison as the principal form of punishment and debates about the decline in corporal and capital punishments Thoroughly updated throughout the fourth edition also includes for the first time illuminating contemporary illustrations **The Science of Linguistics in the Art of Translation** Joseph L. Malone, 2016-03-01 Drawing from more than two hundred examples representing twenty two languages of wide genetic and typological variety the author guides the reader through a broad collection of situations encountered in the analysis and practice of translation This enterprise gains structure and rigor from the methods and findings of contemporary linguistic theory while realism and relevance are served by the choice of naturalistic examples from published translations Coverage draws from a variety of genres and text types literary works the Bible newspaper articles legal and philosophical writings for examples and addresses a thorough selection of structural functional aspects These range from discrepancies between source and target languages in sentence construction to differences between source and target poetic traditions with respect to meter and rhyme **Public Roads** ,1996
