One Truth and One Spirit Keith Readdy,2018 Based upon academic research at the University of Amsterdam s Center for the History of Hermetic Philosophy and Related Currents *One Truth and One Spirit* is a much needed work that covers a previously unexplored history of the modern religious movement known as Thelema This work details the theoretical framework of Aleister Crowley s spiritual legacy in the O T O and the A A and covers the years of Thelema since Crowley s death in 1947 *One Truth and One Spirit* approaches a complex topic with a complex history with exhaustive citations and sources but it is written for anyone interested in the subject of Thelema The author utilizes published source material as well as previously unavailable information which makes this a unique contribution to the available literature *One Truth and One Spirit* is expected to be of interest to the novice the scholar and the seasoned practitioner of Thelema The work provides a general historical overview of Thelema from a theoretical vantage point explores the historical development of the movement from the 1960s to the 1990s and applies the author s own critical discussions on the topic itself

Like a Tree Universally Spread Keith Edward Cantú,2023 This book reconstructs the tantalizing tale of Sri Sabhapati Swami ca 1828 1923 4 today a little known swami who was originally from Tamil Nadu in southern India and historically contextualizes a fascinating type of yoga that Sabhapati claimed would lead to an experience of being like a tree universally spread The practical method of having this experience in technical terms called the samadhi or composure of sivarajayoga or the Royal yoga for siva was published in English and multiple Indic languages and lavishly

illustrated in diagrams on subtle and physical bodies This book is the first book length treatment on Sabhapati Swami scholarly or otherwise and uses critically edited sources printed in Tamil Devanagari and Bengali scripts to reveal the expansion of his literature across South Asia and globally the vast majority of which has never before been considered in any scholarly work to date The book shows how intertwined Sabhapati s yoga is with historical Tamil saiva and Siddha movements including the mythos of the rishi Agastya and also with Hathayoga and mantra based ritual It also takes into account his and his followers wrestling with the Victorian scientific worldview and their rationalization of Hindu philosophical discourses in the colonial period Finally the book demonstrates the extent to which Sabhapati s teachings were integrated into esoteric religious movements such as the Theosophical Society the Thelema of Aleister Crowley and New Thought and suggests that a reappraisal of scholarship on the roots of yoga in these movements is long overdue
