Physicians of the Future Rosalynn A. Vega, 2024-05-21 The first scholarly exploration of the forums practice and economics of functional medicine Physicians of the Future interrogates the hidden logics of inclusion and exclusion in functional medicine FM a holistic form of personalized medicine that targets chronic disease Rosalynn Vega uncovers how as wounded healers some FM practitioners who are former chronic disease sufferers turn their illness narratives into a form of social capital leveraging social media to relate to patients and build practices as doctor influencers Arguing that power and authority operate distinctly in FM when compared to conventional medicine largely because FM services are paid for out of pocket by socioeconomically privileged clients Vega studies how FM practitioners engage in entrepreneurship of their own while critiquing the profit motives of the existing healthcare system pharmaceutical industry and insurance industry Using

data culled from online support groups conferences docuseries blogs podcasts YouTube and TED Talks as well as her own battles with chronic illness Vega argues that FM practices prioritize the individual while inadvertently reinscribing inequities based on race and class Ultimately she opens avenues of possibility for FM interlocutors wrestling with their responsibility for making functional medicine accessible to all The Oxford Handbook of Pricing Management Özalp Özer,Robert Phillips,2012-06-07 A definitive reference to the theory and practice of pricing across industries environments and methodologies It covers all major areas of pricing including pricing fundamentals pricing tactics and pricing management
