The Ghosts New Growth Paranormal Futa Erotica English Edition:

Ghost Sex (a paranormal erotica) Rose Black, When Charlotte moves into an apartment in an old Victorian building she figures her new home is bound to have some quirks What Charlotte didn't expect was to be sharing her bedroom with a very horny ghost WARNING This 3300 word erotic short story contains ghostly fondling levitating vibrators and explosive orgasms that will leave you gasping and begging for more Here's a little taste The moment I took my hand off of the knob the drawer flew back open I stared at it dumbly my mouth hanging open And there was my vibrator again unwrapped in plain view right in the middle of the drawer What the hell I began to lean over to close the drawer again but I felt something brush against my shoulder I let out a gasp There was nothing there but the air around me but I was sure that I was being touched I sat completely still except for my heavy breathing There it was again I was positive that there was something at my shoulder The sensation was cool and almost a little tingly sending a shiver down my spine The silence of the room was absolutely deafening and I could hear my heart pounding in my chest There was definitely something weird something unnatural happening The sensation continued to play at my shoulder and it almost felt as if icy cold fingers were caressing me My mind went back to my conversation with Annie from this afternoon when we were joking about the apartment being haunted But that was ridiculous A ghost couldn't be here opening my drawer moving my vibrator touching my shoulder Could it No of course not I answered my own question speaking out loud to break the deafening quiet I shook my head at myself hardly believing that I was being so silly and moved to go close the drawer again This time I was pushed back flat against my mattress by an invisible force I hit the bed with a thud my breath catching in my throat I was too stunned to try to move but the feeling of icy tendrils on my wrists told me that I wouldn't be able to even if I did make an attempt *Futanari Ghost Butt* Gia Maria Marquez, 2018 Sophie isn't satisfied in bed Her husband takes what he wants without a care for her needs That's when Fortunata the ghost who lives in Sophie's bathroom steps in Fortunata knows exactly what to do to make Sophie feel good But will the bathroom ghost give Sophie the fright of her life before giving her the time of her life
