calling leaving Jeannette and her siblings to fend for themselves in circumstances most would find unbearable Hunger cold and constant upheaval marked their childhoods yet within the chaos the siblings forged a bond that was unbreakable They fed each other defended one another and found strength in unity when their parents could not or would not provide Despite the instability the Walls children grew into capable ambitious young adults each determined to escape the cycle that bound their parents They carved out lives in New York seeking stability and success while their parents true to their unyielding disregard for convention chose homelessness rather than conforming to society's rules It is this paradox of children surpassing the parents who both inspired and failed them that gives the memoir its haunting depth The Glass Castle is not simply a recounting of hardship it is an exploration of love's complexity of how loyalty and resentment can coexist and of how resilience is born in the unlikelyst of places Walls does not paint her parents as villains nor as saints but as deeply flawed dreamers whose choices left their children both wounded and remarkably strong The story lingers with readers as a testament to the endurance of the human spirit and the complicated ties that bind families together

[The Silver Star](#) Jeannette Walls, 2013-06-06 For readers who loved The Glass Castle comes a stunning heartbreaking novel about an intrepid girl who challenges the injustice of the adult world It is 1970 Bean Holladay is twelve and her sister Liz fifteen when their mother a woman who flees every place she's ever lived at the first sign of trouble takes off to find herself She leaves the girls enough money for food to last a month or two but it's not long before Bean and Liz board a bus from California to Virginia where their widowed Uncle Tinsley lives in the decaying mansion that has been in the family for generations Once they've arrived money is tight so Liz and Bean start working for Jerry Maddox foreman of the mill in town a big man who bullies workers tenants and his wife Bean adores her whip smart older sister inventor of wordgames reader of Edgar Allan Poe non conformist But when school starts in the autumn it is Bean who easily adjusts and makes friends and Liz who becomes increasingly withdrawn And then something happens between Liz and Maddox Tragic and comic at the same time an outrageous story one that will break your heart Sunday Independent There isn't a shred of self pity in this deeply compassionate book Marie Claire Has immense power and readability What it does with aplomb is to track the birth of a nation the conjuring of modern America from a scorched dusty wasteland The Times on Half Broke Horses
