The Gospel Truth The Vatican Unearthed:

The Gospel Truth - The Vatican Unearthed William Walker, 2014-12-01 After the devastating loss of their only son twelve year old Stephen to a horrific suicide and their anguish compounded when they learn that someone also molested him Kate and Clive Jessap start their search for answers at his private Catholic school in the Hollywood Hills The detective on the case questions all of the teachers and students except Father Toby Stephen s mentor who is missing The church is unwilling to divulge his whereabouts and the detective suspects that he has gone back to Rome With no jurisdiction in Rome and being fully aware of the Vatican s ranking effectively above the law the detective acknowledges there is no more he can do The Jessaps however are determined to get to the bottom of what happened and go to Rome where they team up with Kate s brother The priest they trailed there is murdered but not before he shares information that leads to ancient documents and a written confession With the unearthing of these documents Kate Clive and Sean find themselves caught in a web of lies deceit and illegal activities linking the Vatican Mafia and the American Embassy Determined to get justice they set out with relentless fervor to untangle the intrigues Those who seek to keep the secrets will stop at nothing including murdering anyone that threatens their power The Jessaps find themselves on that list and must outwit and survive their enemies while they face the dilemma of what to do with secrets that could shake the Vatican to its core and change the face of Christianity forever Keywords Mystery Thriller Pope Suspense Thriller Action Adventure Murder Mystery Fiction The Vatican Mafia Crime Thriller Justice Hitman

Christianity Uncovered Hugh Fogelman, 2012-05-29 Many Christians have told me to quit being so nit picking and let by gone be the gones that what happened in the past was then and now is now and things have changed But that is not true Christians still read from their so called NEW testament that is full of Jew bashing so subliminal that most Christians overlook it It is not my desire to claim Christianity is wrong and that you

should not believe in your god but I want people to think Perhaps what you have been led to believe is wrong Think Why is it wrong for a Christian to deny the divinity of Jesus yet why do Christians turn their blind eye to Christians Missionaries trying to convert Jews against the basic tenants of Judaism Why is it that most all pictures of the different characters in Christianity have a sun disk above their heads The Church made its own spin on this calling them halos but didnt the Church change Sabbath to Sunday the day of the sun Who actually wrote the Christian bible that Christians all over the world swear it The Church admits they really dont know for sure and only guessed Did Jesus write anything in the NEW testament or was his thoughts written by men who thought they knew Why did it take 2 000 years before the Pope acknowledged the Christian hatred towards Jews and the need for Christians to repent Why all of a sudden were the Church wrong and the Jews right

The True Christian Gospel Orlando A. Robertson,2012-09-07 The Western Christian Advocate ,1900 What is the True Christianity ? Hendrick Park,2012 Today there is a pervasive indifference to the question What is the Christianity This is a serious situation because there are numerous false or only partly false or only partly true and partly false versions of Christianity in the world This indifference is also an indication of one s indifference to the God A person cannot be indifferent to the God Who holds his future in His hands and has power to determine his ultimate destiny and about the true religion that God has revealed for mankind The author of this book believes that neither the Roman Catholic Church nor the current Protestant Churches are the true church that represents the True Christianity although the Protestant denominations are truer to the Christianity of the New Testament than the Catholic Church The renowned Catholic theologian Hans Kueng pointed out the deplorable problems of the catholic Church and called for the reform of the Church in his book *The Roman Catholic Church* 2001 The True religion of God must be preserved intact and this preservation is the greatest duty of the Christians and the church to God According to prophets of God Justice and Mercy and the pure preservation of the True religion of God are the two main concerns of God and God laments the gullibility and blind submission of people to wicked religious leaders The author of this book is a retired minister of the United Church of Canada and holds a Th D from the University of Toronto In 2008 he published *The Roman Catholic Church A Critical Appraisal* through the Xulon Press

Many Christians have written and spoken a great deal about the evil of atheism in one form or another This book lays no claim for promoting atheism The author strongly feels that a faith and a belief in a God and a subsequent religion which follows is a matter of a personal choice What the book does claim is the facts that are hidden in Christianity as a cover up for all the misdeeds that took place in the garb of religion six thousand years ago if we are to go by the Christian calendar and what is taking place today is the continuation of a trend that began in BCE **The Catholic Encyclopedia: New Mexico-Philip**, 1911 **Unruly Books** Esther Brownsmith, Liv Ingeborg Lied, Marianne Bjelland Kartzow, 2024-12-12 This volume explores the idea of the unruly book from books now known by their titles alone to books that subverted structures of power and gender The contributors show how these books functioned as sticky objects and they examine the story of what such books signified to the people who wrote read discussed yearned for or even prohibited them The books examined are those of the first millennium of the Common Era and the writings of Judaism Christianity Islam and related traditions In particular the contributors examine the bounty of books within this period that are hard to pin down whether extant lost or imagined books that challenge modern scholars to reconceptualize our notions of books biblical or otherwise religion manuscript culture and intellectual history Through the critical analyses presented in this volume the contributors negotiate the diverse stories told by unruly books and show that by listening to the stories that books tell we learn more about the worlds that imagined and discussed them **THE MIND, BODY, SPIRIT, And STORYTELLING** Hakeem R. Jelani, 2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author's discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicars of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a

dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It s a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ s crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki s process concerning an African female s mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It s a fictionalized story written to make people think about this with intellectual intuition logic and reason *Truth Uncovered* Patricia Startup,Eileen Laird,1985 **The Facts on Roman Catholicism** John Ankerberg,John Weldon,Dillon Burroughs,2009-03-01 Well known authors and researchers John Ankerberg John Weldon and Dillon Burroughs have updated and revised The Facts on Roman Catholicism an important title from the popular Facts On Series more than 1 9 million copies of books from this series sold Presented in a convenient question and answer format readers are given a general overview and detailed information based on a biblical evaluation of the Roman Catholic Church They discover similarities and differences between the basic theologies of Catholicism and Protestantism Topics include Have

the basic doctrines of the Roman Catholic Church changed What are the sacraments and how do they function in the life of a Catholic believer What does the Catholic Church teach concerning salvation What unique role does Mary have in Roman Catholicism and is it biblical Can the differences between Catholics and Evangelicals be set aside *The Catholic Encyclopedia* Charles Herbermann,1909 **The Catholic Encyclopedia** Charles George Herbermann,1913 **The Catholic Encyclopedia: Diocese-Fathers** ,1913
