The Affairs of Women Colin Bingham, 2006 **Nazi-Sozi** Ian Tinny, Dead Writers Club, Jon Robins, 2020-06-25

There are many different media descriptions of Fascism and Nazism in critiques of Joseph Goebbels and Adolf Hitler But what did Der Fuhrer and his Minister of Propaganda actually say when they spoke publicly and authored written statements To find out come inside their mouths see what they said This book examines the actual words of the men who came close to destroying the world These revelations are indisputably authentic raw and fascinating They are an unretouched look at the inner recesses of the minds behind the Nazi Party This is a useful companion volume or study guide to Hitler's *Mein Kampf* whereby what had been a vague plan suddenly was reality almost to the disbelief of its author and his assistants If we are to discover the minds of Hitler and Goebbels we must penetrate behind the thick curtains of superficial evidence which distort them and the unreliable media middlemen who have altered their speeches and writings Here is a startling expose of the origins of their views on their enemies their friends and their goals This book reveals those origins including shocking practices they borrowed from the USA

McDonaldization Society Now Ian Tinny, Dead Writers Club, Micky Barnetti, Dr. Rex Curry, McDonald's started in 1940 in the USA At that time much of the planet was being terrorized by Stalinization and Hitlerization German socialism and Soviet socialism had partnered in a pact to divide up Europe launching World War II invading Poland together and going onward leading to the socialist Wholecaust of which the Holocaust was a part It was a globalization conspiracy to make everyone in the world as equal as a cog in a collectivist wheel After the Allies defeated German socialism Soviet socialism continued the sordid plot on its own Stalin's anti consumption dogma had already starved millions to death under his collectivization of food His get poor quick scheme continued to impoverish multitudes for decades In contrast in the USA McDonald's began posting the number of hamburgers sold in 1955 The signs over the golden arches said over a million served Soviet socialists colluded with Chinese

socialists despite Stalin's earlier experience cooperating with German socialists. The Chinese mimicked Stalin's one size fits all food bureaucracy. Soon Mao's death toll by starvation rivaled Stalin's. Their bogus right to free socialized medicine could not cure stage 4 hunger, not even pain pills, nor palliative care was provided. Soviet socialism and Chinese socialism both independently caused cannibalism, think of it as slow food, not fast food. While McD's asked, "Do you want fries with that?" socialists asked, "Do you want flies with that?" Due to the lack of reliable electricity and refrigeration, similar unhappy meals followed the same irrational socialization chaos in other countries. Socialism is a high mortality dogma. In 1991, the Union of Soviet Socialist Republics ceased to exist because its socialization economy collapsed. In 1993, *The McDonaldization of Society* by George Ritzer was published. In the book, Ritzer writes as if he is ignorant that members of Hitler's group did not call themselves Nazis but called themselves socialists and touted socialism by the very word in voluminous writings and speeches. In that regard, Ritzer perpetuates widespread ignorance among college students. Ritzer seems ignorant of the death tolls under Stalin and Mao, who also glorified socialism voluminously by the very word. It says more about Ritzer than it does about McDonald's. In 1994, McDonald's stopped counting hamburgers served because the quantity surpassed 99 billion. Today, McDonald's is so loved that it can boast that billions and billions have been served. During that same time, socialists can boast that millions and millions have been starved to death. The USA has avoided many monotonous horrors of collectivization and socialism's trademark mass starvations. McDonaldization and other all capitalism saved us from McStalinization, McHitlerization, McMaoism, and defeated other McSocialization in America. Even so, *The McDonaldization of Society* is used as a textbook in American college classes that bad-mouth capitalism and glorify socialism. Young people are being brainwashed in schools and universities. In how many other ways is the USA being victimized by anti-capitalist propaganda? The USA was the origin of Nazi salutes and Fascist behavior through the propaganda of an American Socialist, Francis Bellamy, author of the USA's Pledge of Allegiance to the Flag. America's Nazi salute was often performed by public officials in the USA from 1892 through 1942, near McDonald's start. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. American youth groups, Scouting, adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts. Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler. That helps to explain another shocking revelation: swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism. There are photos in this book: [Nazi Germany Never Existed!](#) Ian Tinny, Lin Xun, Ivan Denisovich. Nazi Germany never existed. That is one of many astonishing revelations detailed in this jaw-dropping book. Most of what is written about Adolf Hitler is designed to deceive the general public. For example, the following facts, with credit to the archives of the historian Dr. Rex Curry, will come as news to most people. 1

Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 2 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are lies to hide the true names of the entities 3 Hitler never called himself a Fascist 4 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 5 The term Fascist never appears in Mein Kampf as a self description by Hitler 6 The term swastika never appears in the original Mein Kampf 7 There is no evidence that Hitler ever used the word swastika 8 The symbol that Hitler did use was intended to represent S letter shapes for socialist 9 Hitler altered his own signature to reflect his S shapes for socialism logo branding 10 Hitler was influenced by American socialists the USA's Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior 11 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 12 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 13 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 14 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the origin of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another inconvenient truth swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book

Bernie Sanders, Adolf Hitler, Joseph Stalin, Fidel Castro & Other Socialists Jon Robins, Ian Tinny, Dead Writers Club, Rex Curry, Bernie Sanders BS self identifies the same way that Adolf Hitler self identified SOCIALIST In voluminous speeches and writings Hitler glorified the identical word touted by BS as his

political philosophy Hitler's swastika was S letter shaped symbolism for his socialism BS proudly classifies himself in the same fashion as Hitler and the world's other genocidal psychopaths Bernie Sanders was endorsed by Alexandria Ocasio Cortez AOC in the 2020 presidential election and AOC actively campaigns for BS Why does AOC support such an old white male She promotes him because they share the same extremist dogma How did they both become socialists AOC was heavily influenced by BS The USA's two worst national socialists were both born and raised in New York City AOC grew up during BS's years as a career politician She learned a lot about socialism and wanted to get on the dole too BS is the oldest white male who is running for nomination BS is so elderly that he could be AOC's grandfather he is 48 years older than her AOC was born a year after BS's infamous honeymoon 1988 in the USSR just as Soviet socialism self destructed Sanders was born in 1941 shortly after Soviet socialism's partnership with German socialism Soviet socialism under Stalin and German socialism under Hitler had joined to launch WWII destroying Poland together and going onward from there in a pact to enslave Europe After German socialism was defeated Soviet socialism continued as Sanders grew up to ruin millions of lives and increase its record setting mass murders As a child Sanders had learned about socialism from his parents and other relatives They attended government schools socialist schools in the USA where students were forced to perform the Nazi salute and chant robotically to the flag each morning at the ring of a bell The Pledge of Allegiance to the USA's Flag was the origin of the infamous stiff armed salute and other propagandistic behavior that was borrowed decades later under German socialism and under other socialists worldwide The pledge was written by an American socialist Francis Bellamy in order to spread socialism Anyone who refused the ritual in the socialist schools was persecuted At that time the socialist schools taught racism as official policy and imposed segregation by law Sanders also learned socialism from government schools that he attended and he chanted in unison each morning to the flag too although the gesture had changed to hide socialism's putrid history During Sanders youth the socialist schools continued to teach racism as official policy and continued to impose segregation by law America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book

Why Are We Socialists? Joseph Goebbels, Ian Tinny, Dead Writers Club, 2020-07-17 Why are we socialists was written by Dr Joseph Goebbels in 1929 Goebbels was the Minister of Propaganda under Adolf Hitler from 1933-1945 Goebbels has been described in various ways in documentaries that critique Nazism and

Fascism But what did Goebbels actually say when he talked To find out come inside his mouth See what he said This book examines the actual words of a man who came close to destroying the planet If we are to discover the minds of Goebbels and Hitler we must penetrate behind the thick curtains of superficial evidence which conceal them and the unreliable media intermediaries who have distorted their speeches and writings For example Why are we socialists is merely a small section of a larger article authored by Goebbels that is usually titled Those Damned Nazis However that is not the title that Goebbels gave his larger publication In the German language the title was Die verfluchten Hakenkreuzler or Those Damned Hakenkreuzlers Goebbels did not use the word Nazi in the title nor anywhere within the pamphlet The revelations in this paragraph were uncovered in the historian Dr Rex Curry s work Those Damned Nazis is a deceitful translation that was intended to cover up what Goebbels actually said This book reproduces the entire text of Why are we socialists As a free bonus specific examination of Mein Kampf is made for many comparisons This book is a useful study guide to Hitler s Mein Kampf whereby what had been a vague plan suddenly was reality almost to the disbelief of Goebbels and other supporters Goebbels supported schools so that his deadly dogma could be spread throughout Germany s educational system This book is a startling expose of the origin of Goebbels goals This book reveals that many of Goebbels shocking ideas were borrowed from the USA
