The Gravity Between Us Kristen Zimmer, 2013-10 The Gravity Between Us is a daring romantic emotional story about friendship love and finding the courage to be yourself in a crazy world New Adult novel recommended for 17 due to mature themes and sexual content It s like there s gravity between us like she s the only thing anchoring me to the world keeping me from floating off into the upper stratosphere and being lost in space I can t risk losing her Where does friendship stop and love begin At just 19 Kendall Bettencourt is Hollywood s hottest young starlet with the world at her feet but behind the glamour and designer dresses is a girl who longs for normal Payton Taylor is Kendall s best friend since childhood and the one person who reminds her of who she really is her refuge from the craziness of celebrity life With her career taking off Kendall moves Payton to LA to help keep her sane But Payton is hiding a secret that could make everything ten times worse Because to her Kendall is more than a best friend she is the only girl that she has ever loved Just as they need each other more than ever they ll have to answer the question of where friendship stops and love begins And find out whether the feelings they have can survive the mounting pressure of fame *Strongest With You* Kelly Violet, 2021-03-31 A life he

yearned to reclaim Colton Strong hid behind a mask As the frontman for his band Country Blue he s known for his soulful tenor and brooding nature He leaves his guard up and for good reason Nobody gets close enough to see past the carefully constructed fa ade Until Darcy Once the petite fireball enters his life one night setting off sparks in the darkest parts of his soul she won t leave his mind Too bad that amazing night also holds some terrible memories When she left town without a word he knew he had to do everything in his power to get her back A love she had to let go Darcy Williams faced another crossroads A guilty conscience won t let her forget the consequences of her actions a year and half ago Thousands of miles away from the only people who matter to her the loneliness is taking a toll But she would have to make a choice soon Stay away or return home Then the enigmatic frontman shows up on her doorstep unannounced and she s in for a new wave of heartache Saying goodbye to Colt had never been part of the plan even though she knew he was better off without her Can they put the past behind them for a shot at happiness Because love gives you strength in the darkest moments and when you need it most
