lay out a powerful agenda for reform The book s unprecedented roster of authors includes Justice Sandra Day O Connor Senator Jon Kyl Senator Bob Graham Secretary Rod Paige Alan Dershowitz Juan Williams Glenn Reynolds Michael Kazin Frederick Hess Andrew Rotherham Mike Feinberg Seth Andrew Mark Bauerlein and more Their message To remain America our country has to give its kids a civic identity an understanding of our constitutional system and some appreciation of the amazing achievements of American self government But we are failing Young Americans know little about the Bill of Rights the democratic process or the civil rights movement Three of every four high school seniors aren t proficient in civics nine of ten can t cut it in U S history and the problem is only aggravated by universities disregard for civic education Such civic illiteracy weakens our common culture disenfranchises would be voters and helps poison our politics *Power Play* Asi Burak,Laura Parker,2017-01-31 An insider s view of the good things that can emerge from being glued to a screen A solid piece of pop culture business journalism Kirkus Reviews The phenomenal growth of gaming has inspired plenty of hand wringing since its inception from the press politicians parents and everyone else concerned with its effect on our brains bodies and hearts But what if games could be good not only for individuals but for the world In *Power Play* Asi Burak and Laura Parker explore how video games are now pioneering innovative social change around the world As the former executive director and now chairman of Games for Change Asi Burak has spent the last ten years supporting and promoting the use of video games for social good in collaboration with leading organizations like the White House NASA World Bank and The United Nations The games for change movement has introduced millions of players to meaningful experiences around everything from the Israeli Palestinian conflict to the US Constitution *Power Play* looks to the future of games as a global movement Asi Burak and Laura Parker profile the luminaries behind some of the movement s most iconic games including former Supreme Court judge Sandra Day O Connor and Pulitzer Prize winning authors Nicholas Kristof and Sheryl WuDunn They also explore the promise of virtual reality to address social and political issues with unprecedented immersion and see what the next generation of game makers have in store for the future *Why the World Doesn't Make Sense* Christine Menedis,2025-04-15 A rare hopeful read that will forever change the way you see the world The world is unraveling and most people can feel it But the deeper problem isn t the chaos It s that nothing makes sense anymore In *Why the World Doesn't Make Sense* writer and thinker Christine Menedis traces the fracture beneath our modern moment exposing how a forgotten shift in how we define the human person led to the confusion fragmentation and loss of liberty we now call normal She reveals how our institutions ideologies and even our best attempts at solutions are all rooted in a broken understanding of the individual This isn t a culture war book It s not a call to rebuild the system or to burn it down It s about truth what happens when a society loses it and how to find our way back home **The Citizens' Bulletin** ,1912 **State of Wisconsin Blue Book 2013-2014** ,2013-07-03 **The Nation** ,1898 Civics and Commerce ,1913 *How to Educate an American* Michael J. Petrilli,Chester E. Finn,2020-02-24 In the years after *A Nation at Risk* conservatives ideas to reform

America's lagging education system gained much traction. Key items like school choice and rigorous academic standards drew bipartisan support and were put into practice across the country. Today these gains are in retreat, ceding ground to progressive nostrums that do little to boost the skills and knowledge of young people. Far from being discouraged, however, conservatives should seize the moment to refresh their vision of quality K-12 education for today's America. These essays by 20 leading conservative thinkers do just that. Students according to this vision should complete high school with a thorough understanding of the country's history including gratitude for its sacrifices, respect for its achievements and awareness of its shortcomings. They should also learn to be trustworthy stewards of a democratic republic capable of exercising virtue and civic responsibility. Beyond helping to form their character, schools ought to ready their pupils for careers that are productive, rewarding and dignified. Excellent technical training opportunities will await those not headed to a traditional college. Regardless of the paths and schools that they select, all students must come to understand that they can succeed in America if they are industrious, creative and responsible. Anchored in tradition yet looking towards tomorrow, *How to Educate an American* should be read by anyone concerned with teaching future generations to preserve the country's heritage, embody its universal ethic and pursue its founding ideals.

**Politics Inc.** John Raidt, 2022-03-02. The book examines the dynamics driving the country's deeply troubled political culture and highlights reforms needed in the post-Trump era to strengthen US democracy. The author paints a clear and sobering portrait of a mercenary election industry and its support structure tailored to perpetuate and exploit America's social and political division. He shows how corrosive partisan animosity, dysfunctional political institutions and even Trumpism are symptoms of a broken system dominated by a self-serving party duopoly. Having hacked the democratic process for its own ends, the cartel's intrigues continue to undermine functional compromise and the virtues essential for self-governance. Without timely structural reform outlined in the narrative, *Politics Inc.* abetted by technological, social and cultural factors will continue to undermine the country from the far right and far left. The stakes could not be higher. At risk is the nation's security and the future of democracy at home and around the globe.
