

The Guadalcanal Campaign

Stanley Coleman Jersey

The Guadalcanal Campaign:

The Guadalcanal Campaign United States. Marine Corps, John Lee Zimmerman, 1949 First Offensive Henry I. Shaw, Jr., 1996-11 *Guadalcanal 1942-43* Mark Stille, 2015-08-20 The Guadalcanal campaign began with an amphibious assault in August 1942 the US's first attempt to take the fight to the Japanese. It escalated into a desperate attritional battle on land, air, and sea, and by the time the Japanese had evacuated the last of their forces from the island in 1943, it was clear that the tide of the war had turned. The inexorable Japanese advance and the myth of Japanese invincibility shattered. In this new study of the campaign, Pacific War expert Mark Stille draws on both US and Japanese sources to give a balanced and comprehensive account of a crucial, brutal conflict. Analyzing the three Japanese attempts to retake the island in the face of ferocious American resistance, this book shows how the battle was won and lost and how it affected the outcome of the Pacific War as a whole.

Hell's Islands Stanley Coleman Jersey, 2007-12-06 From August 1942 until February 1943, two armies faced each other amid the malarial jungles and blistering heat of Guadalcanal Island. The Imperial Japanese forces needed to protect and maintain the air base that gave them the ability to interdict enemy supply routes. The Allies were desperate to halt the advance of a foe that so far had inflicted crippling losses on the US fleet at Pearl Harbor, then seized the Philippines, Wake Island, the Dutch East Indies, Guam, and other Allied territory. After months of relentless battle, the US troops forced back the determined Japanese, providing what many historians believe was the decisive turning point in the Pacific theater of operations. Stanley Coleman Jersey, a medical air evacuation specialist in the South Pacific during World War II, has spent countless hours combing Australian, Japanese, and US documents and interviewing more than 200 veterans of the Guadalcanal campaign, both Allied and Japanese. Beginning with the events that preceded the battle for Guadalcanal during the Australian defense of the southern Solomon Islands in late 1941, Jersey details the military preparations made in response to intelligence describing the creation of an enemy air base within striking distance of American supply lines and recounts the civilian evacuation that followed the Japanese arrival in New Guinea. With the stage set, he turns to the campaign itself, with particular emphasis on the combat during the critical period of August to December 1942. While Guadalcanal is his primary focus, Jersey also covers the roles played by forces occupying the other Solomon Islands, including the plight of construction laborers, air crews, and ground units. This book, chock full of gripping battlefield accounts and harrowing first-person narratives, draws together for the first time Allied and Japanese perspectives on the bloody contest. It is certain to become an indispensable asset to historians of World War II.

Guadalcanal 1942 Joseph Mueller, 1992-09-25 Osprey's examination of the first American amphibious assault of World War II, 1939-1945. On what was a virtually unheard-of Pacific island, the United States shattered the myth of Japanese invincibility as the US Marines and Army halted the apparently irresistible Japanese advance in its tracks. Over 30,000 American and Japanese casualties were suffered in five months of bitter fighting. From the ranks of the units that contested this campaign, a seasoned fighting force of US veterans was created.

that would island by island sweep the Japanese back across the Pacific The Guadalcanal Campaign United States. Marine Corps, John Lee Zimmerman, 1949 **The First Team and the Guadalcanal Campaign** John B Lundstrom, 2005-07-01

From huddled command conferences to cramped cockpits John Lundstrom guides readers through the maelstrom of air combat at Guadalcanal in this impressively researched sequel to his earlier study *Picking up the story after Midway* the author presents a scrupulously accurate account of what happened describing in rich detail the actual planes and pilots pitted in the ferocious battles that helped turn the tide of war Based on correspondence with 150 American and Japanese veterans or their families he reveals the thoughts pressures and fears of the airmen and their crews as he reconstructs the battles These are the story of the Wildcat and Zero fighters and the Dauntless Avenger Betty Kate and Val bombers Lavishly illustrated with drawings maps and photographs this fresh look at the campaign set a standard for aviation histories when first published in 1994 **The Guadalcanal Campaign** United States. Marine Corps, 1949 No Bended Knee Merrill B. Twining, 2004-03-30 A VIVID NARRATIVE A splendid first person account of the costly campaign that enabled Allied forces to wrest Guadalcanal from the Japanese in World War II s Pacific theater Kirkus Reviews By reading and studying *No Bended Knee* the military professional can gain an appreciation for war at the strategic operational and tactical levels Twining writes as he served his corps boldly and straightforwardly with impeccable detail and superb understanding of things strategic *Airpower Journal* A VIEW FROM THE NERVE CENTER COMPLETE WITH TELLING PERSONAL ANECDOTES *Journal Inquirer* Manchester CT Twining adds notably to the literature on Guadalcanal and provides one of the best accounts of war as seen from the perspective of the often maligned yet absolutely indispensable headquarters staff Booklist CANDID AND REVEALING Publishers Weekly **The Turning Points in the Pacific** Charles River Charles River Editors, 2018-02-25

Includes pictures Includes soldiers accounts of the fighting Includes bibliographies for further reading Although not as well remembered as D Day or even the attack at Pearl Harbor that preceded it the Battle of Midway was one of the most unique and important battles fought during World War II In fact the turning point in the Pacific theater took place between June 4 7 1942 as a Japanese fleet moved a sizable fleet intending to occupy Midway Island and draw the American navy near Instead American aircraft flying from three aircraft carriers that had been away from Pearl Harbor in December 1941 got a bearing on the Japanese fleet and sunk four Japanese aircraft carriers permanently crippling Japan s navy The Battle of Midway was one of the first major naval battles in history where the enemy fleets never actually saw or came into contact with each other By the time the Battle of Midway was over the defeat was so devastating that it was actually kept secret from all but the highest echelons of the Japanese government Along with the loss of hundreds of aircraft and over 3 000 men killed the four Japanese aircraft carriers lost when compared to America s one lost carrier was critical considering America s huge shipbuilding superiority However the Battle of Midway could also have easily turned out differently Japan began the battle with more carriers more and better aircraft and more experienced crews than the Americans and if the battle of the Coral

Sea was any indication the two sides had irrefutable proof of the dominance of the aircraft carrier in the Pacific The implications of earlier clashes were now starkly underlined and the fighting was now clearly about timing The carrier fleets were incredibly powerful and crucially important yet at the same time they were hugely vulnerable weapons systems The protagonists at Midway were putting into practice a newly emerging naval doctrine one which ultimately meted out a terrible punishment to the side that miscalculated Carrier versus carrier combat had come of age The Guadalcanal Campaign which ran from August 1942 to February 1943 was a bitter and protracted struggle that also happened to be a strange and transitional confrontation quite unlike any other in the long Pacific War In conjunction with the American victory at the Battle of Midway Guadalcanal represented the crucial moment when the balance of power in the Pacific tipped in favor of the Allies but the idea that Guadalcanal would be such a significant battle would have come as a surprise to military strategists and planners on both sides Eventually nearly 100 000 soldiers fought on the island and the ferocity with which the Japanese fought was a fitting prelude to campaigns like Iwo Jima and Okinawa The campaign would include six separate naval battles three large scale land clashes and almost daily skirmishing and shelling Not surprisingly the campaign exacted a heavy toll with more than 60 ships sunk more than 1200 aircraft destroyed and more than 38 000 dead While the Japanese and Americans engaged at sea and in the skies of the 36 000 Japanese defenders on the ground over 30 000 of them would be dead by the end of the Guadalcanal campaign while the Americans lost about 7 000 killed By the end of the fighting the Guadalcanal Campaign had unquestionably become a turning point in the Pacific War representing both the last gasp of the Japanese offensive and the first stirrings of the American onslaught The Turning Points in the Pacific comprehensively covers the events leading up to the campaign analyzes the decisions made by the battles most important leaders and explains the aftermath of the American victories Along with a bibliography and pictures of important people and places you will learn about Guadalcanal like you never have before in no time at all

Marines In World War II - The Guadalcanal

Campaign [Illustrated Edition] Major John L. Zimmerman USMCR,2014-08-15 Contains 88 photos illustrations and maps We struck at Guadalcanal to halt the advance of the Japanese We did not know how strong he was nor did we know his plans We knew only that he was moving down the island chain and that he had to be stopped We were as well trained and as well armed as time and our peacetime experience allowed us to be We needed combat to tell us how effective our training our doctrines and our weapons had been We tested them against the enemy and we found that they worked From that moment in 1942 the tide turned and the Japanese never again advanced A A Vandergrift General U S Marine Corps Major John L Zimmerman USMCR **Japanese Combined Fleet 1942-43** Mark Stille,2024-09-26 A superbly illustrated account of the Japanese Navy during the fierce battles of Guadalcanal and the Solomons explaining how and why it fought as it did Contrary to myth the Imperial Japanese Navy was not a shattered force after its defeat at Midway In this book Pacific War expert Mark Stille examines the IJN s Combined Fleet during the Guadalcanal and Solomons campaigns when it was reorganized and was

forced to fight a grinding battle of attrition against the US Navy. The early surface battles in the Guadalcanal campaign played into the strength of the Combined Fleet which had long trained for night combat. The IJN's rebuilt carrier force also performed well and managed to score its most clearcut victory against the USN's carriers of the entire war at the battle of Santa Cruz, but the overall Guadalcanal campaign ended in disaster. The result was that the IJN was unwilling to engage in a major struggle for the Central and Northern Solomons, instead using only its destroyer force and land-based air power to fight a delaying action. However, this was costly and weakened the Combined Fleet for the rest of the war.

Using the most recent sources and illustrated with superb artwork, 3D diagrams and maps, the book is the first attempt to focus on how the Combined Fleet fought these campaigns and most importantly how their results affected the rest of the war. *The Island* Herbert Laing Merillat, 2010. This is the real story, soberly, honestly, authoritatively told. New York Times. This is a tale of dogged resistance, courage, and sacrifice that will remain imperishable in our history. Weekly Book Review. In August 1942, US Marines landed on the island of Guadalcanal in the South Pacific and defeated Japanese forces for the first time, turning the tide of World War II against Japan. Written by a historian who fought alongside his fellow marines for the entire four-month campaign, *The Island* is an indispensable story of this hard-fought victory. Guadalcanal: Starvation Island Eric Hammel, 2020-12-23. Guadalcanal Starvation Island. Eric Hammel. The Japanese defeats at Midway and Guadalcanal decided the outcome of the Pacific War. Guadalcanal was the classic three-dimensional campaign: on land, at sea, and in the air. Fierce battles were fought with both sides stretching their supplies and equipment to the breaking point. The campaign lasted six months, involved nearly one million men, and stopped Japanese expansion in the Pacific. When the campaign began on August 7, 1942, no one on either side quite knew how to conduct it, as Eric Hammel shows in this masterly account. *Guadalcanal Starvation* hand-corrects numerous errors and omissions in the official records that have been perpetuated in all the books previously published about the campaign. Hammel also draws on the recollections of more than 100 participants on both sides, especially the enlisted men at the sharp end. Their words bring us into the heart of the battle and portray the fighting accurately, realistically, and very powerfully. *Guadalcanal Starvation Island* follows the men and the commanders of this decisive World War II campaign in an integrated, brilliantly told narrative of the desperate struggle at sea, on land, and in the air. Praise for *Guadalcanal Starvation Island* and Eric Hammel. A comprehensive history of the Guadalcanal Campaign and a well-balanced account. Well-written and fast-moving. *Marine Corps Gazette*. Hammel has written the most comprehensive popular account to date and exposes controversial aspects often passed over. *Publishers Weekly*. Hammel takes the reader behind the scenes and details how decisions were made and how they impacted on the troops carrying them out. He tells the story in a very human way. *Leatherneck Magazine*. A splendid record of this decisive campaign. Hammel offers a wealth of fresh material drawn from archival records and the recollections of 100 odd surviving participants. A praise-worthy contribution to Guadalcanal lore. *Kirkus Reviews*. Hammel's ability to reveal both the immediacy and the humanity of war.

without judgment or bias makes all his books both readable and scholarly San Francisco Chronicle Hammel does not write dry history His battle sequences are masterfully portrayed Library Journal **Guadalcanal** John Miller, Jr.,2005-01-01

Guadalcanal The First Offensive is a tactical history of ground operations involved in seizing and holding the heavily jungled island of Guadalcanal in the British Solomon Islands It covers the campaign from the initial invasion on 7 August 1942 to 21 February 1943 when the area including the Russell Islands was finally secured In the Pacific subseries this volume follows The Fall of the Philippines is concurrent with Victory in Papua and precedes CARTWHEEL The Reduction of Rabaul The Guadalcanal Campaign was the first sustained Allied offensive in the Pacific It began a series of amphibious attacks in the South and Southwest Pacific Areas which pointed toward the reduction of the great Japanese base at Rabaul in the Bismarck Archipelago Just as the Japanese hoped to use Rabaul and their forward bases in the Solomons the Bismarck Archipelago and New Guinea to sever the U S Australian line of communications so the Allies planned their offensives to protect that line of communications and indirectly to clear the way for the return of American forces to the Philippines To seize the initiative from the Japanese the Americans were initially forced to launch their offensive before they had amassed the preponderance of military strength that characterized the latter phases of the war Japanese reaction was so violent and the contestants were so evenly matched on the sea and in the air that the campaign developed into a six month struggle for control of the approaches to Guadalcanal coupled with intense ground fighting for possession of the island itself While air and naval forces fought six full scale naval battles and hundreds of smaller engagements American ground combat troops grappled with Japanese military forces in the tropical rain forests in the mountains and on grassy hills The fight was hard and the enemy skillful and stubborn Nevertheless the final American victory demonstrated that their leadership determination tactics and weapons were as effective in the damp dark of the jungle as in the desert or on the open plains The measure of the campaign is not to be found in the relatively small numbers of troops engaged The Americans and Japanese were straining to bring their forces to bear at the end of long and vulnerable lines of communications so that battalion and regimental actions assumed a much greater degree of importance than they did in for example the campaign in Europe during 1944 and 1945

Guadalcanal The First Offensive treats operations of U S Army ground combat troops in detail It summarizes the achievements of U S Marine Corps Navy Air and Allied units in order to show the contributions of all Starting at the level of corps and division headquarters ground combat is explained systematically down to the battalion level When possible key actions are carried down to the level of companies platoons and even squads for combat in the thick tropical jungles tended to break up into a series of small unit fights Every attempt is made to show the contributions of all supporting arms and services so that air artillery engineer and signal support are related to infantry action as closely as possible Japanese Combined Fleet 1942-43 Mark Stille,2024-09-24 A superbly illustrated account of the Japanese Navy during the fierce battles of Guadalcanal and the Solomons explaining how and why it fought as it did Contrary to myth the Imperial Japanese Navy

was not a shattered force after its defeat at Midway In this book Pacific War expert Mark Stille examines the IJN s Combined Fleet during the Guadalcanal and Solomons campaigns when it was reorganized and was forced to fight a grinding battle of attrition against the US Navy The early surface battles in the Guadalcanal campaign played into the strength of the Combined Fleet which had long trained for night combat The IJN s rebuilt carrier force also performed well and managed to score its most clearcut victory against the USN s carriers of the entire war at the battle of Santa Cruz but the overall Guadalcanal campaign ended in disaster The result was that the IJN was unwilling to engage in a major struggle for the Central and Northern Solomons instead using only its destroyer force and land based air power to fight a delaying action However this was costly and weakened the Combined Fleet for the rest of the war Using the most recent sources and illustrated with superb artwork 3D diagrams and maps the book is the first attempt to focus on how the Combined Fleet fought these campaigns and most importantly how their results affected the rest of the war *Guadalcanal: the First Offensive* John Miller, 1949 A recreation of the Guadalcanal campaign using first hand accounts and after action reports

Guadalcanal 1942-43 Mark Stille, 2019-11-28 The story of Japan s long range air campaign to destroy the Cactus Air Force on Guadalcanal why Henderson Field was so vital to both sides and how the Allies defeated the previously all conquering Japanese The campaign for Guadalcanal which stretched from August 1942 until February 1943 centered on Henderson Field The airfield was captured by the US on 8 August and placed into operation by 20 August As long as the airfield was kept operational and stocked with sufficient striking power the Japanese could not run convoys with heavy equipment and large amounts of supplies to the island Instead they were forced to rely on night runs by destroyers which could not carry enough men or supplies to shift the balance decisively against the American garrison on the island The American air contingent on the island named the Cactus Air Force comprised Marine Navy and Army Air Force units It had the challenging mission of defending the airfield against constant Japanese attacks and more importantly of striking major Japanese attempts to reinforce the island The mission of neutralizing Henderson Field fell primarily to the Imperial Navy s Air Force flying out of airfields in the Rabaul area The units charged with this mission were among the most accomplished in the entire Imperial Navy with a high proportion of very experienced pilots and a superb air superiority fighter the famous Zero However the distance from Rabaul to Guadalcanal handicapped Japanese operations and their primary bomber was terribly vulnerable to interception This book traces the air campaign from both sides and explores the factors behind the American victory and the Japanese defeat The text is supported by full colour illustrations and contemporary photography

The naval battles for Guadalcanal 1942 Mark Stille, 2013-05-20 The battle for Guadalcanal that lasted from August 1942 to February 1943 was the first major American counteroffensive against the Japanese in the Pacific The battle of Savo Island on the night of 9 August 1942 saw the Japanese inflict a severe defeat on the Allied force driving them away from Guadalcanal and leaving the just landed marines in a perilously exposed position This was the start of a series of night battles that

culminated in the First and Second battles of Guadalcanal fought on the nights of 13 and 15 November. One further major naval action followed the battle of Tassafaronga on 30 November 1942 when the US Navy once again suffered a severe defeat but this time it was too late to alter the course of the battle as the Japanese evacuated Guadalcanal in early February 1943. This title will detail the contrasting fortunes experienced by both sides over the intense course of naval battles around the island throughout the second half of 1942 that did so much to turn the tide in the Pacific. *Guadalcanal Diary* Richard Tregaskis, 1955

When somebody should go to the books stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we give the ebook compilations in this website. It will very ease you to look guide **The Guadalcanal Campaign** as you such as.

The Guadalcanal Campaign Introduction

The Guadalcanal Campaign Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Guadalcanal Campaign Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Guadalcanal Campaign : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Guadalcanal Campaign : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Guadalcanal Campaign Offers a diverse range of free eBooks across various genres. The Guadalcanal Campaign Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Guadalcanal Campaign Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Guadalcanal Campaign, especially related to The Guadalcanal Campaign, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Guadalcanal Campaign, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Guadalcanal Campaign books or magazines might include. Look for these in online stores or libraries. Remember that while The Guadalcanal Campaign, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Guadalcanal Campaign eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Guadalcanal Campaign full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a

wide range of The Guadalcanal Campaign eBooks, including some popular titles.

FAQs About The Guadalcanal Campaign Books

1. Where can I buy The Guadalcanal Campaign books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Guadalcanal Campaign book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Guadalcanal Campaign books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Guadalcanal Campaign audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read The Guadalcanal Campaign books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
