none emphasized to an extraordinary degree that accounted for father's great success in the hunting field. He would point out many an excellent shot at a target who was of no use against game. Sometimes this would be due to lack of nerve. Father himself was equally cool and unconcerned whether his quarry was a charging lion or a jack rabbit with when it came to the question of scoring a hit the resultant advantage in the size of the former as a target. In other instances a good man at the range was not so good in the field because he was accustomed to shooting under conventional and regulated conditions and fell down when it came to shooting under disadvantageous circumstances if he had been running and were winded if he were hungry or wet or tired or feeling the sun if he were uncertain of the wind or the range. Sometimes of course a crack shot possesses all the other qualities such is the case with Stewart Edward White whom **Happy Hunting-grounds** William Hamilton Gibson, 1887 **Happy Hunting Grounds** James Hightower, 1910 Describes boy's life in the Indian Territory

The Happy Hunting Ground Alexander Samuel Salley, 1926 The low country of South Carolina furnishes one of the finest fields for a sportsman to enjoy himself in to be found in the United States. The stories told briefly in simple style and in the ordinary language of the sportsmen of the section illustrate the modes of pursuing and taking game in South Carolina with some accounts of past conditions. Various sidelights on the sport in this section are also interspersed throughout the book. The Happy Hunting Grounds Nanne Tepper, 2000 Swift's Waterland soaks into McEwan's Cement Garden in this shocking and intense debut. Incest madness romance in the peat. Can an incestuous relationship ever be a happy one? Steeped in an unearthly and unsettling fenland landscape relationships like that between Victor and his teen sister tend to mist up the perspectives of the normal. A decade on Victor arrives in Paris to write a book about Kerouac. All he possessed was his past a writer's greatest treasure. While not wanting to repudiate it he aspired to the grandeur of loss. And it is there in the security and oppressiveness of his childhood in the lonely fens of Groningen that Victor's dark treasure lies an oppressiveness symbolized by the alcoholism of his father and of his incestuous love for his younger sister Lisa. From the no man's land between sea and soil in north east Holland comes an outstanding book from an author who promises to be one of the first European literary stars of the new century. Steamy sensuous atmospheric and ripe with longing and loneliness *Happy*

There is a universal saying to the effect that it is when men are off in the wilds that they show themselves as they really are As is the case with the majority of proverbs there is much truth in it for without the minor comforts of life to smooth things down and with even the elemental necessities more or less problematical the inner man has an unusual opportunity of showing himself and he is not always attractive A man may be a pleasant companion when you always meet him clad in dry clothes and certain of substantial meals at regulated intervals but the same cheery individual may seem a very different person when you are both on half rations eaten cold and have been drenched for three days sleeping from utter exhaustion cramped and wet
