it were not for the real people and real places interwoven within the fallacies the HBHG book would have failed to qualify as nonfiction even under the very liberal literary definition of the term As Prof Onapolis demonstrates in this long overdue analysis of the HBHG virtually none of the HBHG authors claims hypotheses or conclusions are supported by historical fact Prof Onapolis reveals that the primary source of the documents relied upon by the HBHG authors was no other than Pierre Plantard In 1993 Pierre Plantard admitted in a French court of law to having orchestrated the fabrication of the documents relied upon by the HBHG authors as part of an elaborate fraud *The Holy Grail* Justin E. Griffin,2012-10-27 The existence of the Holy Grail has long been debated and many of these debates focus on the intellectualized or psychological aspects of it This work explores the events that gave rise to the legend of the Holy Grail and pays special attention to the texts that form the body of the legend as well as historical facts about the life of Christ the Crusades and the fall from grace of the Knights Templar The book examines the legitimacy of the claims made by several present day believers and also introduces a new theory of multiple grails and the evidence supporting this theory which the author believes answers many of the otherwise unanswered questions surrounding the Holy Grail **Bc the Holy Blood and the Holy Grail** Leigh,Baigent,2006-09-01

The Holy Grail Richard W. Barber,2004 In this fascinating work Barber traces the history of the legends surrounding the Holy Grail beginning with Chrten de Troyes s great romances of the 12th century and the medieval Church s religious version of the secular ideal **The Messianic Legacy** Michael Baigent,Richard Leigh,Henry Lincoln,1986 **In Search of the Holy Grail and the Precious Blood** Deike Begg,Ean Begg,2008-03 THE HOLY GRAIL IS ONE of the most powerful myths in Western Culture At the centre of this myth is the story of the chalice containing the Holy Blood of Christ shed when Longinus pierced his side at the crucifixion The search for the Grail has inspired artists and mystics for hundreds of years Many churches and cathedrals were built on sites that claimed their part in this sacred mystery IMBUED WITH THE SPIRIT OF the ancient quest and aware of its power as an antidote to our modern spiritual malaise Ean and Deike Begg travelled throughout Europe researching sites of the Holy Grail the Precious Blood and their associated myths This book is an illustrated account of their search and a practical informative guidebook for travellers and seekers It is full of fascinating information such as the name of the Spanish cathedral that holds the cup of the Last Supper the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the deeps of Jung s spirit and in re establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness Sir Laurens van der Post Deike and Ean Begg have revitalized the idea of pilgrimage Michael Baigent An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe Count Nikolai Tolstoy *Holy Blood, Holy Grail* , **Holy Blood, Holy Grail** Michael Baigent,1982

Christ's passion preserved supposedly from the time of the Crucifixion and displayed as objects of wonder and veneration in the churches of medieval Europe Inspired by the discovery of new evidence relating to the relic deposited by King Henry III at Westminster in 1247 the study proceeds from the particular political and spiritual motives that inspired this gift to a wider consideration of blood relics their distribution across western Europe their place in Christian devotion and the controversies to which they gave rise among theologians In the process the author advances a new thesis on the role of the sacred in Plantagenet court life as well as exploring various intriguing byways of medieval religion

Bloodline of the Holy Grail Laurence Gardner, 2000 Did Jesus marry and have children If so what happened to his family Are his descendants still alive Seventeen years ago the worldwide best seller The Holy Blood and The Holy Grail made a number of controversial speculations about a Messianic lineage Yet the authors could offer no real proof since their access to relevant source material was restricted At last the truth can be told This extraordinary and controversial book packed with intrigue begins where others have ended Sir Laurence Gardner has been granted privileged access to European Sovereign and Nobel archives along with favored insight into chivalric and Church repositories He proves for the first time that there is a royal heritage of the Messiah in the West and documents the systematic and continuing suppression of records tracing the descendant of the sacred lineage by regimes down the centuries This unique book lavishly illustrated in full color throughout gives a detailed genealogical account of the authentic line of succession of the Blood Royal from the sons of Jesus and his brother James down to the present day
