The Human Flies K2 And Patricia Series:

The Human Flies Hans Olav Lahlum, 2014-06-05 Oslo 1968 Ambitious young detective Inspector Kolbjørn Kristiansen is called to an apartment block where a man has been found murdered. The victim Harald Olesen was a legendary hero of the Resistance during the Nazi occupation and at first it is difficult to imagine who could have wanted him dead. But as Detective Inspector Kolbjørn Kristiansen, known as K2, begins to investigate, it seems clear that the murderer could only be one of Olesen's fellow tenants in the building. Soon, with the help of Patricia, a brilliant young woman confined to a wheelchair following a terrible accident, K2 will begin to untangle the web of lies surrounding Olesen's neighbours, each of whom it seems had their own reasons for wanting Olesen dead. Their interviews, together with new and perplexing clues, will lead K2 and Patricia to dark events that took place during the Second World War. *The Human Flies* by Hans Olav Lahlum is a gripping, evocative and ingenious mystery, the first in a series featuring K2 and Patricia, which pays homage to the great Agatha Christie and will plunge readers into Norwegian history and into a world of deceit and betrayal, revenge and the very darkest murder.

Chameleon People Hans Olav Lahlum, 2016-09-22 From the international bestselling author Hans Olav Lahlum comes *Chameleon People*, the fourth murder mystery in the K2 and Patricia series. 1972 On a cold March morning the weekend peace is broken when a frantic young cyclist rings on Inspector Kolbjørn K2 Kristiansen's doorbell, desperate to speak to the detective. Compelled to help, K2 lets the boy inside only to discover that he is being pursued by K2's colleagues in the Oslo police. A bloody knife is quickly found in the young man's pocket, a knife that matches the stab wounds of a politician murdered just a few streets away. The evidence seems clear-cut and the arrest couldn't be easier. But with the suspect's identity unknown and the boy refusing to speak, K2 finds himself far from closing the case. And then there is the question that K2 can't get out of his head: why would a guilty man travel directly to a police detective from the scene of his own brutal crime?

The Anthill Murders Hans Olav Lahlum, 2017-09-07 *The Anthill Murders* is the fifth mystery in Hans Olav Lahlum's hugely compelling international bestselling crime series. 1972 Across Oslo a serial killer is hunting down young women. Each victim found strangled and with a peculiar calling card placed upon their bodies: a cut-out picture of an ant. The first victim is a timid theology student; the next, a jazz singer; followed by the heir to one of the largest fortunes in Oslo. But despite Inspector K2's best efforts to find a link, the only thing connecting them seems to be their murder. With his assistant Patricia's intellect put to the test and increasing pressure from his boss as the clock ticks down to the next possible killing, K2 is in danger of losing his position as Oslo's leading homicide detective.

The Catalyst Killing Hans Olav Lahlum, 2015-08-27 The third mystery in the hugely compelling bestselling international crime series from Norway's answer to Agatha Christie, Hans Olav Lahlum. *The Catalyst Killing* will have you guessing to the final clue. The first murder was only the spark. 1970 Inspector Kolbjørn Kristiansen, known as K2, witnesses a young woman desperately trying to board a train, only to have the doors close before her face. The next time he sees her, she is dead. As K2 investigates with the help of his precocious young

assistant Patricia he discovers that the story behind Marie Morgenstierne's murder really began two years ago when a group of politically active young people set out on a walking tour in the mountains. There one night the party's charismatic leader and Marie's boyfriend Falko Reinhardt vanished without a trace. But were the relationships between this group of friends and comrades all they appeared to be? What did Marie see that made her run for her life that day? And could both mysteries be linked to Falko's research into a cell of Norwegian Nazis he suspected may still be active? It soon becomes clear that Marie's death is not only a complex case in its own right but will act as a catalyst in a dark set of events which will leave K2 and Patricia confronting their most dangerous and explosive investigation yet. And as the pair work hard to unravel the clues before Marie's killer can strike again the detective fails to notice that his young assistant has her own problems to face.

Satellite People Hans Olav Lahlum, 2015-02-12 A gripping evocative and ingenious mystery which pays homage to Agatha Christie. Satellite People is the second Norwegian mystery in Hans Olav Lahlum's series. Oslo 1969. When a wealthy man collapses and dies during a dinner party Norwegian Police Inspector Kolbjørn Kristiansen known as K2 is left shaken. For the victim Magdalon Schelderup a multimillionaire businessman and former resistance fighter had contacted him only the day before fearing for his life. It soon becomes clear that every one of Schelderup's ten dinner guests is a suspect in the case. The businessman was disliked even despised by many of those close to him and his recently revised Will may have set events in motion. But which of the guests from his current and former wives and three children to his attractive secretary and old cohorts in the resistance had the greatest motive for murder? With the inestimable help of Patricia a brilliant acerbic young woman who lives an isolated life at home in her wheelchair K2 begins to untangle the lies and deceit within each of the guests' testimonies. But as the investigators receive one mysterious letter after another warning of further deaths K2 realises he must race to uncover the killer before they strike again. *Encyclopedia of Nordic Crime Fiction* Mitzi M.

Brunsdale, 2016-05-12 Since the late 1960s the novels of Sjöwall and Wahlöö's Martin Beck detective series along with the works of Henning Mankell, Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction: grim police procedurals treating urgent sociopolitical issues affecting the contemporary world. Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations. This reference guide introduces the world of Nordic crime fiction to English speaking readers. Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost. At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit. **The Video Source Book** David J.
