Hirschak exhaustively covers Wilder's life and extensive career Entries not only contain every one of his novels plays and scripts but also his letters journals and all other existing works by Wilder published or unpublished In addition this valuable reference features entries on the individuals who worked with Wilder and friends and family members who were a great influence on him With a biography of Wilder to introduce the work and a chronology and selected bibliography to augment the entries *The Thornton Wilder Encyclopedia* is the most comprehensive reference available on one of America's greatest playwrights and finest novelists

The Ides of March Thornton Wilder, 2003-05 The Ides of March first published in 1948 is a brilliant epistolary novel set in Julius Caesar's Rome Thornton Wilder called it a fantasia on certain events and persons of the last days of the Roman republic Through vividly imagined letters and documents Wilder brings to life a dramatic period of world history and one of history's most magnetic elusive personalities In this inventive narrative the Caesar of history becomes Caesar the human being Wilder also resurrects the controversial figures surrounding Caesar Cleopatra Catullus Cicero and others All Rome comes crowding through these pages the Rome of villas and slums beautiful women and brawling youths spies and assassins

BOOK JACKET **Thornton Wilder and the**

Puritan Narrative Tradition Lincoln Konkle, 2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes in-depth readings of *Shadow of a Doubt* *The Trumpet Shall Sound* and others Provided by publisher

[Thornton Wilder, Classical Reception, and American Literature](#) Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates how Thornton Wilder 1897-1975 a learned playwright and novelist

embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder's avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like *Dolly Levi* in *The Matchmaker* *Emily Webb* in *Our Town* and *George Antrobus* in *The Skin of Our Teeth* Vergil's expression Here are the tears of the world and human matters touch the heart haunts Wilder's oeuvre Understanding Vergil's phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public

Thornton Wilder in Collaboration Jackson R. Bryer, Judith P. Hallett, Edyta K. Oczkiewicz, 2018-12-17 The essays in this volume evolved from papers presented at the Second International Thornton Wilder Conference held at Salve Regina University in Newport Rhode Island in June 2015 They examine Wilder's work as both playwright and novelist focusing upon how he drew on the collaborative mode of creativity required in the theatre when writing both drama and fiction The book's authors use the term collaboration in its broadest sense at times in response to Wilder's critics who faulted him for borrowing from other earlier literary works rather than recognizing these borrowings as central to the artistic process of collaboration In exploring Wilder's collaborative efforts of different kinds the essays not only consider how Wilder worked with and revised earlier literary texts and the ideas central to those texts but also analyze how Wilder worked with and inspired other creative individuals and how recent productions of Wilder's plays both in the US and abroad have been the products of unique forms of collaboration

The Woman of Andros Thornton Wilder, 2012-07-01 First published in 1930 Wilder's best selling novel *The Woman of Andros*¹ is set on a Greek island before the birth of Christ *The Ides of March* first published in 1948 is an epistolary novel set in the Rome of Julius Caesar

Pushing the Boundaries of Historia Mary English, Lee Fratantuono, 2018-11-19 *Pushing the Boundaries of Historia* collects together 20 chapters whose coverage extends from the prehistory of Greece through early Christianity in the Roman Empire to the reception of classical texts by contemporary playwrights and poets The essays range beyond Greece and Rome to the ancient realms of Persia and China and explore a vast array of ancient authors Homer Herodotus Thucydides Euripides Vergil Ovid Livy and Tacitus Written by philologists historians epigraphers palaeographers archaeologists and art historians it brings together the best of old and new traditions of classical study from senior emeritus faculty with established records of scholarly productivity to the newest generation of classics and archaeology professors What draws together the disparate strands of academic inquiry found in these pages is a passion for understanding how the lessons of the world of the ancient Greeks Romans and their still lamentably understudied neighbors can offer commentary

on the contemporary world *Legendary Figures* Clayton Koelb, 1998-01-01 *Legendary Figures* examines revolutionary views of the past that have played a crucial role in European and American literature of the last 150 years Clayton Koelb traces these new approaches to history through an impressive range of novels from Flaubert's *Salammbô* to Christa Wolf's *Cassandra* Koelb argues that this new historical sense which arose in the mid nineteenth century gained eloquent expression in Flaubert's writings What is crucial about the new historical sense is that it views the past as essentially alien and other The connection between past and present may be powerful but it is always indirect and difficult to negotiate As a result the past seems exotic and unattainable the object of nostalgia and desire Koelb distinguishes this sense of history with its persistent discontinuities between past and present from the more continuous and progressive views of history of novelists like Sir Walter Scott and such philosophers as Hegel Marx and Lukács In their writings history proceeds according to the laws of cause and effect and each epoch can be understood as both the result of the previous one and the cause of the next In contrast the modernist writers that Koelb examines Flaubert Pater Mann Broch Wilder Yourcenar and Wolf imagine a past that is mythic and legendary and thus a metaphor for everything distant complicated unattainable and unknowable *The Gay & Lesbian Theatrical Legacy* Billy J. Harbin, Kim Marra, Robert A. Schanke, 2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time *Thornton Wilder* Martin Joseph Blank, Dalma Hunyadi Brunauer, David Garrett Izzo, 1999 **Tempus** Harald Weinrich, 2024-02-06 A foundational book by one of the most distinguished German humanists of the last half century *Tempus* joins cultural linguistics and literary interpretation at the hip Developing two controversial theses that sentences are not truly meaningful in isolation from their contexts and that verb tenses are primarily indicators not of time but of the attitude of the speaker or writer *Tempus* surveys a dazzling array of ancient and modern texts from famous authors as well as casual speakers of German French Italian Spanish Portuguese Latin and English with a final chapter extending the observations to Greek Russian and world languages A classic in German and long available in many other languages *Tempus* launched a new discipline text linguistics and established a unique career that was marked by precise observation sensitive cultural outreach and practical engagement with the situation of migrants Weinrich's robust and lucid close readings of famous and little known authors from all the major languages of western Europe expand our literary horizons and challenge our linguistic understanding *Lepidus* Richard D. Weigel, 2002-09-11 Marcus Aemilius Lepidus was a significant force in Roman political religious and military affairs during the late Republic However in most accounts he is dismissed quickly made sport of or bitterly attacked Through a careful examination of Lepidus's career Richard Weigel has shown why many of the sources are hostile and how these have created an inaccurate assessment of Lepidus's role in history Weigel shows that Lepidus was a competent administrator and that he was consistent in serving the Republic's needs as he understood them **The Post-traumatic Theatre of Grotowski and Kantor** Magda Romanska, 2014-10-01 Despite its international influence Polish theatre remains a mystery to many Westerners This volume

attempts to fill in current gaps in English language scholarship by offering a historical and critical analysis of two of the most influential works of Polish theatre Jerzy Grotowski's *Akropolis* and Tadeusz Kantor's *Dead Class*. By examining each director's representation of Auschwitz this study provides a new understanding of how translating national trauma through the prism of performance can alter and deflect the meaning and reception of theatrical works both inside and outside of their cultural and historical contexts.

Catullus and His World Timothy Peter Wiseman, T. P. Wiseman, 1987 This book is an attempt to read the poems of Gaius Valerius Catullus in his own context to look at the poet and his works against the cultural realities of the first century BC as recent advances in historical research allow us to understand them. Catullus' own social background, the circumstances of the literary life of his time, the true extent of his works and the variety of audiences he addressed, these and other questions are explored by Professor Wiseman with new and startling results. Contemporary high society and politics are illustrated through Clodia and Caelius Rufus, considered not as mere adjuncts to Catullus' story but as significant historical personalities in their own right. A final chapter on nineteenth and twentieth century interpretations of Catullus' world shows how anachronistic preconceptions have prevented a proper understanding of it and made this radical reappraisal necessary. Anyone with a serious interest in Latin literature or Roman history will want to read this book. Students in the upper levels of school or at university will find it essential background reading to their work on Catullus and Cicero's *Pro Caelio*.

Representing Rome's Emperors Caillan Davenport, Shushma Malik, 2024-01-09 Roman emperors have long functioned and continue to function in the western imagination as paradigms of imperial leadership to be emulated or avoided. This innovative volume brings together an international team of experts to examine the literary and artistic representations of Roman emperors across more than two thousand years of history. In doing so, it breaks down traditional disciplinary boundaries that have separated the study of emperors in antiquity from their representation in later periods. The individual chapters offer close readings of different texts, media and contexts ranging from the *Annals* of Tacitus, Roman lamps and triumphal statues to medieval legends, early modern philosophical tracts, twentieth century novels and museum exhibitions. Collectively, they explore the creative impulses and political agendas that have shaped how we understand Roman emperors today.

The Modern American Novel Steven G. Kellman, 1991 Intended for undergraduate and high school students with references primarily to book length works.

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 *Reader's Guide Literature in English* provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo-Saxon times to the current American, British and Commonwealth scene. It is designed to help students, teachers and librarians choose the most appropriate books for research and study.

The Ides Of March By Thornton Wilder Introduction

In the digital age, access to information has become easier than ever before. The ability to download *The Ides Of March* By Thornton Wilder has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *The Ides Of March* By Thornton Wilder has opened up a world of possibilities. Downloading *The Ides Of March* By Thornton Wilder provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *The Ides Of March* By Thornton Wilder has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *The Ides Of March* By Thornton Wilder. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *The Ides Of March* By Thornton Wilder. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *The Ides Of March* By Thornton Wilder, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *The Ides Of March* By Thornton Wilder has transformed the

way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Ides Of March By Thornton Wilder Books

1. Where can I buy The Ides Of March By Thornton Wilder books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
