The Inner Journey Patricia F. Morrison,1994 *The Inner Journey* Christophe Javon,2016-02-17 I am so grateful for this book written by my friend Christophe Javon One of the things I like the

very best about The Inner Journey is that it is written by a very real very passionate and delightfully human man who is also extremely conscious that we all come from the Divine With great vulnerability Christophe shares his journey of going in and out of oneness the essence of this human journey as well as many keys for returning to that oneness Most spiritual books are written from a safe removed lofty height that has almost nothing to do with how to live our daily lives with purpose passion and peace Instead Christophe offers us the whole deal With the brilliant mind of a physicist and the radiant heart of a true mystic he lays down a much needed path between Universal Truth and the daily details of living life In this very down to earth book Christophe teaches us to remember the very highest truths about Love by first reminding us to love ourselves and our human emotions As he says how can we feel the depth of unconditional love that is within us if we block off certain areas of our feelings We must re embrace the whole range of our feelings from fear sadness and anger to love and joy We cannot know non duality if we haven t surrendered to the poles to all aspects of ourselves The Inner Journey is a book that will help each of us remember our own perfection that is always our truth It is with great joy that I welcome Christophe s offering into a world that is so greatly in need of such wisdom practicality and guidance Mahalo nui loa Christophe Thank you from the very depths of my heart Donna Bradley Founder of The Radiance Healing Center
