novelist the volume looks for the first time at his works in terms of categories of novels peasant middle class and immigrant The book demonstrates that each category is different from the others and that novels within categories are similar Thus it provides a coherent vision of Selvon s canon It illustrates as well the development of Selvon s philosophy of West Indians as peasant bourgeois and immigrant In doing so it explores the significance of ethnicity in his works and discusses Selvon s imaginative apotheosis of the Indo Trinidadian peasant and the diminution of the Afro Trinidadian immigrant The volume also studies Selvon s fictional and rhetorical techniques and argues that his works range from Bildungsroman to picaresque to epic to satire **The Journal of Education** ,1899
