

The Giver Study Questions

The Giver is a "utopian" novel; it presents a very futuristic vision of a possible human society. In the case of this novel, that society only exists in that it is a "utopia," a perfect society without problems. It does not suffer from problems such as war and poverty. But as the story goes on, we come to understand all of the important things that have been sacrificed in the pursuit of creating this society. There are a lot of deep and complex issues raised in this novel, and I hope that these questions will help you understand and reflect on those issues.

Notes:

- The highlighted questions are the ones I chose and the ones I expected and/or interesting questions to reflect on and answer.
