The Glass Blowers By Daphne Du Maurier:

The Glass-Blowers Daphne du Maurier, 2013-12-17 A consistently entertaining saga of beauty war and family set during the French Revolution from the author of *Rebecca* and *The Birds* New York Times The world of the glass blowers has its own traditions its own language and its own rules If you marry into glass Pierre Labbe warns his daughter you will say goodbye to everything familiar and enter a closed world But crashing into this world comes the violence and terror of the French Revolution against which the family struggles to survive Years later Sophie Duval reveals to her long lost nephew the tragic story of a family of master craftsmen in eighteenth century France Drawing on her own family's tale of tradition and sorrow Daphne du Maurier weaves an unforgettable saga of beauty war and family **The Glass-Blowers**, 1996 *The Glass-blowers* Daphne DuMaurier, 1994 The Glass-blowers Daphné Du Maurier, 1975 *Daphne Du Maurier, Haunted Heiress* Nina Auerbach, 2002-10 Nina Auerbach examines both the life of Daphne du Maurier as it is revealed in her writings and the sensibility of a vanished class and a time now gone that haunts the fringes of our own age **Daphne du Maurier** A. Horner, S. Zlosnik, 1998-04-08 Daphne du Maurier Writing Identity and the Gothic Imagination is the first full length evaluation of du Maurier's fiction and the first critical study of du Maurier as a Gothic writer Horner and Zlosnik argue that the fears at the heart of du Maurier's Gothic fictions reflect both personal and broader cultural anxieties concerning sexual and social identity Using the most recent work in Gothic and gender studies they enter the current debate on the nature of Female Gothic and raise questions about du Maurier's relationship to such a tradition *Daphne du Maurier* Oriel Malet, 2014-08-18 Daphne du Maurier's correspondence with Oriel Malet began in the early 1950s after they met at a cocktail party in London At least twenty years separated them Oriel was a gauche young writer while Daphne was the famous much fêted author of bestselling novels including *Jamaica Inn* *My Cousin Rachel* and *Rebecca* The friendship flourished for thirty years fed by the letters that arrived faithfully from Menabilly the du Maurier house in Cornwall While Oriel tasted life on a houseboat on the Seine and mixed with the aristocratic Who's Who of Paris Daphne's letters tell of her family past and present her marriage to General Sir Frederick Browning a war hero known privately as Moper whose fits of melancholy caused many a crisis at Menabilly and events like Prince Philip coming for dinner We've got only four knives with handles and one silver candlestick must be glued Most of all her letters are a valuable record of the complex and rigorous art of a fine and well loved writer the brewing of a plot the research and the pegging of secret fantasies onto a living person in order to create classical characters such as Cousin Rachel and Roger Kylmerth Disarmingly frank about sex an earnest seeker after spiritual and psychological truth Daphne du Maurier is revealed in her letters as an inspiring and delightful correspondent as well as a once in a lifetime friend **The House on the Strand** Daphne Du Maurier, 2013-12-17 A man becomes addicted to a drug that allows him to time travel into the past in this gothic thriller that is prime du Maurier New York Times Dick Young is lent a house in Cornwall by his friend Professor Magnus Lane During his stay he agrees to serve as a guinea pig for a new

drug that Magnus has discovered in his scientific research When Dick samples Magnus's potion he finds himself doing the impossible traveling through time while staying in place thrown all the way back into Medieval Cornwall The concoction wears off after several hours but its effects are intoxicating and Dick cannot resist his newfound powers As his journeys increase Dick begins to resent the days he must spend in the modern world longing ever more fervently to get back into his world of centuries before and the home of the beautiful Lady Isolda Praise for Daphne Du Maurier No other popular writer has so triumphantly defied classification She satisfied all the questionable criteria of popular fiction and yet satisfied the exacting requirements of real literature something very few novelists ever do Margaret Forster author of Daphne Du Maurier The Secret Life of the Renowned Storyteller She wrote exciting plots she was highly skilled at arousing suspense and she was too a writer of fearless originality The Guardian
