Questions About Islam Matthew Bennett, 2020-03-31 A much anticipated new addition to the very popular and practical book series that answers real questions on key topics in contemporary Christianity Islam is one of the most significant forces shaping the world today but most Christians are confused about its key beliefs and practices Many wonder about the apparent similarities and obvious differences between Christianity and Islam and want to reach out to Muslim friends or neighbors with the gospel but don't know where to begin Having spent several years living in North Africa and the Middle East missions professor Matthew Bennett guides readers through Islam's key tenants and provides answers to critical questions such as Who was Muhammad and what was his message Do Muslims and Christians worship the same God What are the differences between the Qur'an and the Bible What is shariah law What is the Islamic view of salvation What happens in the mosque Is Islam inherently misogynistic Do Muslims and Christians worship the same God How should a Christian share the gospel with Muslims Helpful summaries at the end of each chapter encapsulate important information followed by discussion questions useful for personal or small group study Whether you want to understand Islam better or reach Muslims for Christ 40 Questions on Islam is an indispensable primer and reference book **The God Question**, 198? **On Violence** Bruce B. Lawrence, Aisha Karim, 2007-12-06 An interdisciplinary collection of primary texts on the subject of violence from Freud to Gramsci to Foucault from Gandhi to Osama bin Laden The editors' introductions frame the texts within questions of how violence is generated and perpetuated in so Things Seen and Unseen Orion Edgar, 2016-01-01 The philosophy of Maurice Merleau-Ponty was developing into a radical ontology when he died prematurely in 1961 Merleau-Ponty identified this nascent ontology as a philosophy of incarnation that carries us beyond entrenched dualisms in philosophical thinking about perception the body animality nature and God What does this ontology have to do with the Catholic language of incarnation sacrament and logos on which it draws In Things Seen and Unseen Orion Edgar argues that Merleau-Ponty's philosophy is dependent upon a logic of incarnation that finds its roots and fulfillment in theology and that Merleau-Ponty drew from the Catholic faith of his youth Merleau-Ponty's final abandonment of Christianity was based on an understanding of God that was ultimately Kantian rather than orthodox As such Merleau-Ponty's philosophy suggests a new kind of natural theology one that grounds an account of God as ipsum esse subsistens in the questions produced by a phenomenological account of the world This philosophical ontology also offers Christian theology a route away from dualistic compromises and back to its own deepest insight **Covenants and Care** Gary L. Harbaugh, Rebecca Lee Brenneis, Rodney R. Hutton, 1998-01-01 A team of experts in ministry and the Bible offer skills for the long haul They employ the Old Testament notion of covenant and ask ministers to enter a covenant both for their own self-care and as a key to framing and enlivening their care for others in ministry True to life stories show how biblically based covenantal relationships with clear boundaries
