The Goldin Boys Joseph Epstein, 1992-10 Nine Chicago based short stories combine wit and precision to probe the meaning of ambition by creating insightful characters with realistic struggles

Masters of the Games Joseph Epstein, 2015-01-09 In this collection his twenty fifth book Joseph Epstein departs from writing about literature and culture to indulge his fondness for the world of sport in all its forms In these essays and stories on such subjects as saving Joe DiMaggio's reputation from the clutches of an iconoclastic biographer marveling at the skills of Michael Jordan shaking free of an addiction to radio sports talk shows or contemplating the changing nature of the games he grew up with and played as a boy Epstein turns writing about sports into an art at once penetrating and highly amusing

Never Say You've Had a Lucky Life Joseph Epstein, 2024-04-16 A rich and comic portrait of the radical changes in American life and the literary world over the last eighty years An autobiography usually requires a justification The great autobiographies those by Benvenuto Cellini Jean Jacques Rousseau Benjamin Franklin and Henry Brooks Adams were justified by their authors living in interesting times harboring radically new ideas or participating in great events Joseph Epstein qualifies on none of these counts His life has been quiet lucky in numerous ways and far from dramatic But it has also been emblematic of the great changes in our country since World War II He grew up in a petit bourgeois Midwestern milieu and the city of Chicago looms large in his life He drew a lucky ticket in the parent lottery and his was a happy boyhood spent on playgrounds and hanging around drug stores At high school dances he was the rumba king and at drive in movies he was never allowed to go as far with girls as he so ardently desired At twenty six after two years in the army he found himself married the father or stepfather of four children and living in New York on the meager salary of a magazine subeditor He was ablaze with ambition and fettered by frustration He broke out by moving to Little Rock Arkansas to direct the city's anti poverty program at the height of the Civil Rights movement His writing career blossomed he began teaching at Northwestern University and for twenty five years edited one of great intellectual magazines Never Say You've Had a Lucky Life is an intimate look at one life steeped in radical change from a traditionally moral culture to a therapeutic one from an era when the extended family was strong to its current diminished status from print to digital life featuring the war of pixel on print and on But for all the seriousness of Epstein's themes this book is memorable for its comic point of view and the constant reminder of how unpredictable various and wondrously rich life can be

Joseph Epstein, 2020-10-15 Who is the greatest living essayist writing in English Joseph Epstein would surely be at the top of anybody's list Epstein is penetrating He is witty He has a magic touch with words that hard to define but immediately recognizable quality called style Above all he is impossible to put down Joseph Epstein's Gallimaufry A Collection of Essays Reviews Bits is the fifth such volume from Axios Press and contains 58 essays Subjects range from domestic life to current social trends to an appraisal of contemporary nuttiness It follows the much acclaimed Essays in Biography 2012 A Literary Education and Other Essays 2014 Wind Sprints Shorter Essays 2016 and The Ideal of Culture Essays 2018 After reading Epstein we see life with a fresh eye We also see ourselves a little more clearly This is what Plutarch intended life teaching by example but with a wry smile and such a sure hand that we hardly notice the instruction It is just pure pleasure **Literary Education and Other Essays** Joseph Epstein, 2014-06-01 Who invented the personal essay That is hard to say The ancient Roman philosopher and cynical power broker Seneca The 16th century French philosopher Montaigne certainly brought it to a peak of perfection There were many 19th century masters not so many after that Who is the greatest living essayist writing in English That requires no debate at all It is unquestionably Joseph Epstein He is not only the best living essayist he is right up there in the company of Seneca and Montaigne but one of our own living in our era and dealing with our pleasures and travails Epstein is penetrating He is witty He has a magic touch with words that hard to define but immediately recognizable quality called style Above all he is impossible to put down Epstein reads omnivorously and brings us the best of what he reads passages that we would never have found on our own How easy it is today in the digital age drowning in emails and other ephemera to forget the simple delight of reading for no intended purpose Like any master essayist however this one brings us more than the shared experience of a lifetime of reading He brings us himself alternately scolding and charming sparkling and deep buoyant and sad zany and wise rebellious and conservative bookworm and sports fan clever and everyman debunker and preservationist deep into high culture deep into low culture curious fresh and settled in his ways This is the friend we all wish we could have the ideal humane companion who is completely comfortable in his own human skin Like Plutarch he gives us life teaching by example but with a wry smile and such a sure hand that we hardly notice the instruction It is pure pleasure The Novel, Who Needs It? Joseph Epstein, 2023-07-18 In this brief but highly engaging book Joseph Epstein argues for the primacy of fiction and specifically of the novel among all intellectual endeavors that seek to describe the behavior of human beings Reading superior fiction he holds arouses the mind in a way that nothing else quite does He shows how the novel at its best operates above the level of ideas in favor of taking up the truths of the heart No other form probes so deeply into that eternal mystery of mysteries human nature than does the novel Along the way Epstein recounts how we read fiction differently than much else we read He sets out how memory works differently in the reading of fiction than in that of other works He notes that certain novels are best read at certain ages and suggests that novels like movies might do well to carry ratings with some novels best read no later than one's early twenties others not to be read

before the age of forty The knowledge one acquires from reading novels differs from all other kinds of knowledge for the subject of all superior fiction is human existence itself in all its variousness and often humbling confusion The spirit of the novel entails questioning much that others consider home truths This is demonstrated by the fact that so many important philosophers social scientists jurists and other intellectuals have been devoted readers of fiction among them Oliver Wendell Holmes Jr Michael Oakeshott Edward Shils and Clifford Geertz The Novel Who Needs It takes up those current elements in the culture that militate against the production of first rate fiction Prominent among them are the rise of online reading the expansion of creative writing programs the artistically discouraging effects of political correctness and the pervasiveness of therapeutic thinking throughout contemporary culture As for the title The Novel Who Needs It Joseph Epstein's answer is that we all do

My Silk Purse and Yours George Garrett, 1992 Formula critics like the formula fiction they consider can't tell a silk purse from a sow's ear George Garrett can and he isn't afraid to say so even when his judgments aren't fashionable My Silk Purse and Yours shows Garrett at his combative best as he takes on everything from New York's literary star system to the work of Kurt Vonnegut and John Barth I may be wrong writes Garrett but you cannot convince me that I do not read more novels and story collections than the entire professional staffs of the New York Times Sunday and daily and the Washington Post ditto put together The essays and reviews collected here should convince even the most skeptical reader of Garrett's claim Whether he is pondering the problems and paradoxes of literary biography taking apart the capriciousness of the publishing industry or divulging the source of the best Bloody Mary in England Garrett's voice is the voice of one who knows Garrett rarely strays from the firm grounding of his own experience as a reader Eschewing literary stars who too frequently eclipse lesser known but often more talented artists Garrett explores such underappreciated writers as Mary Johnston Madison Smartt Bell and Reynolds Price He champions writers who tackle subjects that will never make them popular Of Shelby Foote's The Civil War he writes Even assuming the good fortune of living to complete his marathon enterprise and doing it tolerably well the odds were strong if not overwhelming that in a time of instant attention and instant oblivion Foote would find himself and his work cheerfully forgotten Garrett writes of the Elizabethans Their words are not only their greatest gift tous but they are also the only true map we have to lead us to their world and safely back to our own In My Silk Purse and Yours Garrett's explorations of American literary art always lead him back to his starting point Opinionated daring and always enlightening My Silk Purse and Yours is a shrewd and entertaining celebration of the lost art of reading and the troubled art of writing
