Shadowed Memories Evander L. Fragoso,2025-10-20 The best selling psychological horror author Klive Edwards has moved into the Big Apple in the hope of leaving his divorce behind him and getting through his writer s block with a change of scenery Finally giving in to the advice of his persistent agent he seeks help from a strange doctor in order to get his night terrors in check but things worsen as Klive s hold on reality waivers Are the tall shadows from his nightmares a figment of his imagination or is there something closing in on the world around him

Wallace's Monthly ,1886 African Treasure Russell Shentall,2017-03-12 From the heart of the harsh and unforgiving Zambezi Valley Jeremy s journey starts and leads us on an adventure to search and find the fabled treasure of the last great Chief of the Ndebele people Lobengula Losing everything Jeremy goes to South Africa to start a new beginning a new life He meets up with an African by the name of David who Jeremy captured in the War and they begin to smuggle arms in Africa It is during this time that Jeremy hears the story of the Great Chief Lobengula and his Diamond and Gold treasure which has

never been found by any one And so the hunt begins to find the treasure The trail leads us through lies deception politics love and hate This is Africa beautiful but harsh and unforgiving Jeremy s trail leads to the finding of a highly developed people the world never knew about which lived in the magical granite formations of the Matopas formations In the end it is love which prevails above all else **For Sale by Owner** Marion Columbus Morrow,2008-11 Fast paced and to the point describes this heart pounding thriller Mary Ann Bailey left the big city police department to become the chief of police of her small home town in Ohio It would be a perfect retirement job for her while her husband spent his retirement from the city fire department working his family farm Little did she know her world would be torn apart and her sanity compromised by the appearance of a serial killer The evil that erupted in the small town of Bering Heights left the crime in the big city looking pale in comparison The killer enjoys toying with the police in more brutal ways than one can imagine Could the serial killer really be a resident of this closely knit community Would the terror end when he is caught Will Mary Ann ever be the same again or will her nightmares get the best of her **Bonny Kate** Mark Strength,2007-07-03 Bonny Kate Pioneer Lady is a classic romantic love story which begins in July of 1776 when Lieutenant John Sevier meets Catharine Sherrill pulling her over the wall of Watauga Fort to escape the deadly pursuit of Cherokee warriors The lieutenant considered the handsomest man in the west is also the most charming fun loving and active man among the leaders of the fort The beautiful unmarried Catharine quickly develops warm feelings for a man she regards as her personal hero Even after finding out the lieutenant is already married she feels an attraction to him that never fails to delight her in every innocent encounter By the time the siege ends and the life of the community returns to normal she has a new nick name Bonny Kate and a new reputation as someone to watch out for Finding true love and settling new territory is not easy in a country at war but Bonny Kate finds a new best friend when she meets Sarah the matchmaker Inspired by Sarahs example Bonny Kate overcomes all obstacles and makes the right choices until Divine Providence intervenes and reveals the true purpose that fulfills her destiny Wye Island Boyd Gibbons,2010-09-30 Today most of the 2 800 tranquil acres that make up Wye Island are managed by the Maryland Park Service However from 1973 to 1974 the island was the site of a raging controversy A major developer James Rouse wanted to build a compact waterfront village that would be surrounded by large estates protected farms and wetlands A boyhood resident of nearby Easton Maryland Rouse hoped that the island could avoid the sprawl of unplanned subdivisions that were marring so many other places along the Eastern Shore Combining history journalism character sketches and sharp sociological insight Boyd Gibbons presents the conflict over Wye Island in its multiple dimensions as an example of the emerging community based activism of the 1960s and 70s and of a community that while exercising its right to preserve its identity denies opportunities for its members to improve their lives through change In fact Wye Island proves not to be the environmental David Goliath struggle that might be expected For one thing residents opposed a development plan that can be regarded as an early model for smart growth And many were no more favorably disposed to a park or preserve than to a

planned village Their interest was in protecting the community from an invasion of immigrants from ethnically diverse Baltimore and Washington and where the wealthy were concerned protecting some very private views of the water In the end rich landowners poor natives and many recent newcomers opposed the Rouse project distrusting change and above all fearing outsiders The special reprint of Wye Island includes a new foreword by distinguished environmental historian Adam Rome who explores the enduring themes of Wye Island in context of the current debates about land use development and sprawl

Rincon Scuffle Fiat Version Guillermo Morell,2009-07-31 The book is a satire of the genera of martial arts action movies However it explores in serious overtones the relationship between the last colonial power on Earth and its dysfunctional relation with its most notorious colony It defines the post 911 dialectic and the new sides in this new one hundred years war with no end in sight

A Grammar of Tundra Nenets Irina Nikolaeva,2014-06-18 The book is the first substantial description of Tundra Nenets a highly endangered Uralic language spoken in Western Siberia and the north of European Russia destined for the international linguistic community Its purpose is to provide a thorough documentation of all of the major grammatical phenomena in the language The grammar particularly emphasizes the description of syntax because this has traditionally been a very neglected area of Nenets studies Many syntactic aspects have not received a systematic treatment in the existing literature or have not been addressed at all Since the existing works are not easily available incomplete or idiosyncratically presented Tundra Nenets syntax has played little or no role in the considerations of modern linguists whether more descriptively or theoretically inclined The book is largely descriptive it is not intended to address theoretical questions per se and the description is not meant to be formulated within a particular framework However it identifies and discusses issues which are of broad typological and theoretical interest The description is richly exemplified Most of the cited examples are the result of fieldwork conducted by the in various locations They are sentences produced by native speakers either spontaneously or elicited in response to questions posed in Russian Other examples are excerpts from original texts

Pete's Bogus Journey: An Autobiographical Descent Through A Career In Medicine Peter Cackett,2023-01-19 There is no doubt that life is a bogus journey and it does not end well for any of us However join eye surgeon Pete Cackett on his eventful pathway through life and career in medicine and learn from his own unfortunate mishaps Discover how it is possible to make your own journey less bogus especially if you follow his advice and tips from his Hidden Curriculum This book is a celebration of life in all its glorious bogusness with plenty of humour and retro pop culture references along the way This is a medical autobiography and is the first one which directly addresses the medical profession doctors and medical students and other allied health professionals It covers many relevant issues and topics on working as a doctor including those which many are reluctant to talk about such as private practice It also includes advice gleaned from over 30 years in medicine as part of a Hidden Curriculum This guidance can be used by the reader to make changes to their own lives in order to create a happier and more successful existence

Tales and Sketches John Greenleaf

Whittier,2018-04-05 Reproduction of the original Tales and Sketches by John Greenleaf Whittier *Reconstructing Medical Practice* Christine Jorm,2016-04-08 *Reconstructing Medical Practice* examines how doctors see health care and their place in it why they remain in medicine and why they are limited in their ability to lead change in the current system Doctors are beset by doubts and feel rejected by systems where they should be leaders some see their role as flog ging a derelict system to get the last breath of workability out for their patients Others simply turn away Rigorous studies carried out at large public teaching hospitals in Australia found that doctors were reluctant to increase safety in the wider health system despite making every effort for their own patients Doctors self esteem was found to be delicate due to the uncertain nature of their work colleagues provide the support doctors need to deliver good care However these essential relationships and their cherished connections with patients have disadvantages reducing doctors ability to admit to error On top of this senior doctors predict a future bereft of professional values one where medicine is just a job While the loss of professional identity introduces new risks for patients and doctors the repercussions of the more self serving attitudes of younger doctors are unknown *Reconstructing Medical Practice* concludes that regulation despite its recent proliferation is a clumsy and limited approach to ensuring good care It presents original and much needed ideas for ways to rebuild the critical relationship between doctors and the system By better valuing communicative interactions and workplace relationships safe and satisfying medical practice can be reconstructed *A Monster Kid Primer* Edward Lerp Jr., Did you grow up with monsters Did you try to stay up late on Saturday nights to watch Creature Feature Count Gore de Vol or maybe Ghost Host Beginning in the late 50s an entire generation became memorized by the Monster Craze Remember Famous Monsters Of Filmland making your own 8MM monster movies and hanging out with like minded kids in the neighborhood discussing ad nauseam vintage Karloff flicks and upcoming Hammer Studio releases who s the better Dracula Lugosi or Lee Sound familiar A *Monster Kid Primer* invites you to relive those cherished memories and test your horror film knowledge *Change Of Heart* Charlotte Bingham,2011-04-30 This mesmerising love story form bestselling author Charlotte Bingham has it all clever plotting wonderful characterization masterful writing and a totally unexpected and perfect finale true perfection and perfect for readers of Louise Douglas Dinah Jeffries and Kristin Hannah CAN ONE CHANCE ENCOUNTER CHANGE THE COURSE OF A LIFE Visitors to Stoke Park in Worcestershire could be forgiven for thinking that the house had a timeless quality Certainly this occurs to Frederick Jourdan the American composer who has rented the place to escape from overwork and from his well meaning but exhausting fianc e He revels in the peace and beauty of the place until early one morning he happens upon the heartstopping sight of the reclusive young occupant of the nearby Folly feeding deer at early dawn He finds his life has been changed for ever Time has indeed stood still for Fleur Fisher Dilke but for reasons that can t be guessed Born to an ambitious surgeon and his social climbing wife Fleur has only ever been seen as a tool to improve the family s social prospects Quite by chance however she finds she has a prodigious gift and in spite of her parents opposition

her talent blossoms Choices are made but not forgiven and it is only when her life takes a sudden and tragic turn and she meets a fascinating and irreverent figure who is her opposite in every way that Fleur finds the courage she needs to move forward Her imagination is thoroughly original A fairy tale which is all the more delightful as it is not something one expects from a modern novel It s heady stuff Daily Mail Charlotte Bingham s devotees will recognise her supreme skill as a storyteller A heartwarming romance which is full of emotion INDEPENDENT ON SUNDAY Charlotte Bingham can t have written a better book than this one Has anyone Reader review No less than a masterpiece Reader review Compulsive reading Reader review Truly impossible to put down Reader review Absolutely riveting Reader review A wonderful read Reader review
